AMENDMENT 001 TO SOLICITATION NUMBER W6369-22-A010 IS RAISED TO:

1. Provide clarification and answers to questions from potential suppliers.

QUESTIONS AND ANSWERS:

Question 1	<p>Can you provide more detail around the statement of work for Drug Information Services - W6369-22-A010? Are you looking for an evidence-based drug information data that helps clinicians (pharmacist, nurses, physician, etc.) make medication decisions at the point of care or are you simply seeking to hire a doctor of pharmacy who is to synthesize the evidence and answer their questions?</p> <p>We can provide an online, evidence-based, point-of-care drug information resource that is written by a team of pharmacists and is updated in real-time. The drug information is a synthesis of primary literature and relevant medication package inserts information. The resource includes dosing, adverse effects, administration, warnings, interactions, and precautions, as well clinical practice guidelines, pharmacokinetics, IV compatibility from Trissel's 2 Clinical Pharmaceutics Database, Briggs' Drugs in Pregnancy & Lactation, American Hospital Formulary Services (AHFS), more than 8,000 patient-focused educational leaflets, and many other tools.</p>
Answer 1	<p>No, what we need is an individual to respond to direct questions from our pharmacists in a timely manner. A Drug Information Service is a specialized service offering resources and expertise to respond to questions about therapeutics, adverse effects, pharmacokinetics, interactions, drug identification and availability, drug administration, pharmaceuticals and pharmacy administration in the Canadian market.</p> <p>Our pharmacists are able to access and utilize these types of references Mentioned above, already. It is a service often needed when answers cannot be readily found in these sorts of references.</p>

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
