2. Requests for Clarification

Q5. Appendix F – are the regions in the Western and Northern columns correct? Kenora is in both columns and we are unsure why Algoma, Kenora, Rainy River and Thunder Bay are in the Western column and not the Northern column.

A5. Please see the revised Appendix F in item 1) above.

Q6. Is it possible to bid on one of the regions as opposed to all regions?

A6. No, Offerors should be able to provide services for all regions in Ontario. The Geographic Boundaries by County are included for calculating travel Disbursements.

Q7. Appendix C, Item 4 states that ' The personnel below must be in-house and must not be sub-consultants.' Would the Client change this requirement via addendum to allow for consultants with experience completing this work and coordinating sub-consultants as required to be able to submit an offer?

A7. The requirements will remain as stated.

Q8. In addition - Would a submission on Civil and Environmental only be acceptable?

A8. Offerors must be able to provide all services identified in the Standing Offer Brief and must provide key personnel for all disciplines identified in Mandatory Criteria 3.1.4 Consultant Team Identification.

All other terms and conditions of the solicitation remain the same.
