Q&A	QUESTIONS & ANSWERS
Q4	The solicitation makes mandatory two Senior Field Technicians, each with five years of experience and Ontario Association of Certified Engineering Technicians and Technologists (C.E.T). Could the requirement for C.E.T. designation be changed to Professional Geoscientist Ontario (PGO) or Professional Engineers Ontario (PEO) – Valid membership in “good standing” or “In-Training” status?
A4	We accept PEO, PGeo and/or CTECH designations in full accreditation and “good standing” for the Senior Field Technician role. “In-training” status memberships are not eligible. The candidate proposed should have minimum 5 years of relevant experiences.
