

Amendment 001

Q1) Can we get a set of traditional electrical drawings showing conduit layouts with a cable schedule?

A1) Revised drawings will not be provided. Bidders remain fully responsible for reviewing the entire drawing set. For convenience, bidders may wish to review the following drawings to aid in resolving the project scope:

1. Drawing E17: Device tagging formats and structure identifier overview.
2. Drawings M10, M11, M12 for physical locations of conduit and enclosures.
3. Drawings E59, E60, E61 for single line diagrams to find the raceway interconnections (Conduit schedule)
4. Drawings E342 through E347 for cable schedules.
5. Drawing E341 for summary of cable types and lengths.
