AMENDMENT 002

This amendment is raised in order to change the Requirement – Annex A and to publish a series of questions and answers.

DELETE:

ANNEX "A"- Requirement

3. DELIVERABLES

- The contractor must deliver, upload and install the equipment in the location specified by the project manager or his/her representative.
- The contractor must respond to service calls within 72 hours.

INSERT:

ANNEX "A"- Requirement

3. DELIVERABLES

The contractor must deliver, unload and install the equipment in the location specified by the project manager or his/her representative.

QUESTIONS AND ANSWERS

Question 1: Ref. Annex A, item 20

You need a 24 foot rig; there is a price difference between 20' and 24', can you specify exactly what you need?

Answer 1:

As mentioned in the tender notice, a rig measuring between 20' to 24' is acceptable as long as it also meets all of the other criteria for this item.

Question 2: Ref. Annex A, items 18 & 25

Is a black rig with red combination acceptable?

Answer 2:

Yes.

N° de l'invitation - Sollicitation No.

N° de la modif - Amd. No.

Id de l'acheteur - Buyer ID

Question 3: Ref. Annex A, items 41-42-43

Will you accept round dumbbells rubber or urethane ?

Answer 3:

As mentioned in the tender notice, both types of material are allowed and accepted.

Question 4: Ref. Annex A, items 44 & 45

2 tier and 3 tier racks; you are requesting 35 pairs of round dumbbells (items 41, 42, 43) and 64 pairs of Hex rubber dumbbells (small size). It is not a good idea to use a rack with plastic saddles for Hex rubber dumbbells and is not a good idea to use a flat tray to hold round dumbbells.

Answer 4:

Our requirements for items # 44 and 45 are listed in the tender notice, proposed products have to meet all these requirements.

Question 5: Ref. Annex A, items 51-52-53-54-55-56

You are asking for 6 bars of each weight (36 bars in total), please confirm if you want straight bars or EZ curl bars?

Answer 5:

As mentioned in the tender notice, straight bars are required.

No additional holders are required than those mentioned in the tender notice.

Question 6: Ref. Annex A, items 59 to 68

You are asking for a total of 130 kettle bells cast iron color coded, and you are asking for 4 racks three tiers to hold those 130 units, so that means each rack will need to hold 33 units / so 11 kettle bells per tier . You are asking to accommodate 32 kettle bells per tier: why? It will make the kettle bell rack very long and huge, and on top of that, you are asking for 4 units so that means some racks will be empty.

Answer 6:

One of the requirements for this 4 racks is indicating that the rack must accommodate A MINIMUM of 32 kettle bells. Racks must also meet all of the other requirements.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME
