2. Travel and living expenses

Not applicable for this purchase

3. The estimated level of effort is meant to be used for information purposes and is not to be considered as a commitment from Canada. The Contractor will work part-time with a flexible work schedule.
4. The typical work day is 7.5 hours and a normal week is 15 hours (2 days per week). However, if the TA deems it necessary, the Contractor may be asked to work overtime to meet deadlines or to assist in tests or exercises. These extra hours worked would be deducted from the contract total level of effort. Each hour worked beyond the 7.5 hours/day will be paid at a single rate of: 1 hour worked = 1 hour charged/deducted.

NOTE

With the exception of the firm hourly rate(s), the amounts shown in the various items specified above are estimates only. Minor changes to these estimates will be accepted for billing purposes as the Work proceeds, provided that these changes have the prior approval of the Project Authority, and provided that the estimated cost does not exceed the aforementioned Limitation of Expenditure.

*All other terms and conditions remain the same.
