Amendment number 001 to Request for Proposal (RFP) 08283-200551/B which closes July 20, 2021 at 2:00 p.m. is raised to:

1. Respond to questions received from bidders and provide the following additional information:

Q1: For the small air purifiers. We have a model that meets specs but weighs 18kg. Is this acceptable for the bid?

A1: No. As per Annex A, the maximum weight for items 7 & 8 is 10 kg.

Q2: Would they accept ceiling mounted units?

A2: No. As per Annex A, the units must be portable (not ceiling mounted etc.).

Q3: Can we ask what the sq ft of the space they are trying to protect? Can they tell us how many air exchanges they would like in the room sizes?

A3: The size of the spaces are varied. Air exchanges were not specified as a requirement.

Q4: For all the units listed in Annex A and B, it states "Ozone generators will not be considered." Since it is the ozone generator that destroys viruses and other pathogens, will Global Affairs Canada reconsider this criterion and allow ozone generators to be submitted?

A4: No. As per Annex A, ozone generators will not be considered.

2. At Part 2 of 2, Page 7 of 14, **4.2 Basis of Selection – Multiple Items, INSERT:**

Delivery date offered will not be an evaluated factor.

All other terms and conditions of the Request for Proposal remain unchanged.
