Title:
Fish Habitat Offset, Big Island Wetland

Amendment 001

1. This amendment is raised to distribute a question and answer.

1. Questions and Answers

Q1. If our marine equipment is in the water prior to mobilization BUT it is the same body of water that Big Island Wetland is located in (Bay of Quinte) do we still have to have the inspection report done by a qualified biologist as specified in 1.8.3?

A1. After review, there will be no requirement to produce a report signed by a Biologist or complete inspections with divers. Please see below for more informations.

Specification Revision

In:
