Question 1	For the tender W6369-22-A006, there are no documents available on the SEAO site. Is there a reason?
Answer 1	No documents are provided in an Advance Contract Award Notice (ACAN). An ACAN is a public notice indicating to the supplier community that a department or agency intends to award a contract to a pre-identified supplier. The description of the requirement is detailed in the ACAN. If a supplier is believed to be capable of performing the work and will be interested in bidding, the supplier is required to submit a statement of capabilities based on the information provided in the ACAN.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
