AMENDMENT # 3

Regional Individual Standing Offer (RISOs) for Hazardous Materials Assessment Various Locations – Newfoundland and Labrador

EP897-211869/A

THE FOLLOWING AMENDMENT TO THE TENDER DOCUMENTS IS EFFECTIVE IMMEDIATELY.
THE AMENDMENT SHALL FORM A PART OF THE STANDING OFFER DOCUMENTS.

.....

Question Regarding Section 6.5.1.2

Question: Section 6.5.1.2 of the RFSO states survey equipment and GPS shall be included in the fees. Can you provide the required level of accuracy for such equipment? For example, will a handheld Garmin type instrument satisfy the requirement of standard equipment to be included in fee rates?

Answer: A standard handheld GPS system will provide the level of accuracy that is required so that's is what should be included in the fee rates.

By submission of its tender, the Tenderer confirms that it has read and understands the requirements expressed in all addenda and has included all costs of these requirements in its Total Tender Amount.

All other terms & conditions remain unchanged.
