LETTER OF INTEREST 875 Heron Road Rehabilitation Project (EP095-220899/A)

AMENDMENT 001

This Amendment 001 is issued to :

1- Delete the following text from the LOI under Section 2 "Project Objective":

Delete: "The net result is an Autonomous Occupant Profile characterized by GC Workplace as best suited to organizations with limited interaction among colleagues and the highest proportion of individual work points. This is the outcome preferred by CRA."

2- The following Enquiry and response is issued by Canada in accordance with the Letter of Interest (LOI) for the 875 Heron Road Rehabilitation Project.

QUESTION 001: With respect to the Letter of Interest for the 875 Heron Road Rehabilitation Project, are you able to provide clarification in terms of Indigenous participation? Is the intent for participation to take the form of specific construction or FM participation? Or is the government looking to engage Indigenous participation in the form of consultation and/or design input? This information would help shape our response to question 5.

ANSWER 001: Public Services and Procurement Canada remains committed to its indigenous mandate targets to create more opportunities for Indigenous businesses to succeed and grow. All opportunities for indigenous participation in the Private Partner contract are being considered in this design-build-finance-maintenance contract. Responses to the request for information (question 5) will be considered in the development of the future request for qualification and request for proposal.
