Requirement Details

Tendering Procedure: Open Tendering

Description of Work:

The CFIA's Saint-Hyacinthe laboratory is accredited by the Standards Council of Canada in accordance with ISO Guide 17025 for the testing services it delivers to its customers. As the CFIA places such a high priority on quality control, building cleaning activities must provide a very high level of cleanliness to avoid cross-contamination that could compromise laboratory analysis.

The work is to be performed at the CFIA Saint-Hyacinthe Laboratory reporting to the Laboratory's facility manager and to the satisfaction of the CFIA Saint-Hyacinthe laboratory representative, in accordance with the specifications provided as a guideline

Purpose:

To provide general cleaning and other services associated with a professional cleaning service. The work will be carried out in laboratory and administrative areas, including cafeterias.

Administrative services:	780 m ²
Laboratory areas:	2,300 m ²
Total area:	3,080 m ²

Security Requirement: *Reliability*
