SOLICITATION AMENDMENT # 006

The purpose of this amendment is to:

- 1) Question and answer 19: concerning Long Distance RFP, **SRCL revised**;

1) Concerning Long Distance RFP, SRCL revised:

Question 19:

In reviewing Annex C SRCL, the description of the opportunity reads "Provision & Maintenance of in place legacy Centrex - also known as Local Access Service _for the Province of Saskatchewan". Please confirm whether this is the correct SRCL.

Answer 19:

We will remove the present SRCL from the RFP, and

Replace with the revised SRCL:

See attached revised SRCL.

2) Concerning SOW, Table 4 Reporting

Question 20:

8.4 Table 4 - Service Elements - Method and Delivery Period

Can SSC provide examples of the different reports required as asked for in Table 4 of Annex A to give us a better idea of the requirements?

Answer 19:

SSC is not in a position to provide copies of the requested reports. While these reports are critical they are only provided as a result of an event. In the last 10 years there have been no Security Violations, Fraud notifications, Major Incidents or

Performance Credit situations. Where necessary SSC has amended the SOW to include elements and/or provided sample copies.

In some cases SSC has identified where to find the report requirement with the SOW item.
