3. Respond to Vendor Questions.

Question 90: H-23 3.3.2 Will piping material different than that shown on the drawings be acceptable if it has class approval for the intended application.

Answer 90: As these vessels are maintained as a class, piping other than what is shown on the drawings will not be accepted. This ensures that all vessels in different regions will use the same material, and that there will be no changes in vessel weight due to using alternate materials.
