SOLICITATION AMENDMENT 001 IS RAISED TO:

1. ANSWER THE FOLLOWING BIDDER QUESTION:

QUESTION 1:

We would like to know (consider this a question for clarification) why there is a security requirement on this contract? What secure information would we possibly be exposed to? Especially if the training is being delivered in a non-secure area on the base such as a classroom in the fire hall? Would you please clarify why such a restriction was placed on this RFP.

RESPONSE 1:

The security landscape has changed significantly within the Dept over the last few years. The majority of the Dockyard is now deemed an operational zone. All Vendors are required to have and maintain reliability status in order to gain access and perform their duties within CFB Halifax. There is from time to time exemptions made for short visits where the vendor can be escorted during their visit but that unfortunately does not work in this instance.

All other terms and conditions remain unchanged.
