This amendment is issued to publish questions and answers and modify the Bid Solicitation.

1. Questions and Answers

Question 1

For WS1M-1, WS1M-2, and WS1R-1, would Canada please confirm whether Bidders are permitted to cite reference contracts where they provided resources under similar or equivalent categories, as long as the Bidder can demonstrate that the resource performed 50% of the tasks for that resource category in Section 8 of the Statement of Work at Annex A of this bid solicitation?

Answer 1

Canada confirms that WS1M-1 allows for same or similar resource categories.

For WS1M-2 and WS1R-1 the request has been reviewed and Canada will not permit similar or equivalent resource categories.

As a clarification, Resource Tasks for each category is under section 9.0 of the Statement of Work at Annex A.

Question 2

For WS2M-3 in Workstream 2, will the Crown accept RPA certification from UIPath in addition to Blue Prism, as UIPath and Blue Prism are both industry leading RPA providers?

Answer 2

Canada confirms acceptance of RPA UIPath certification in addition to Blue Prism. WS2M-3 will be amended to include UIPath certification.

Question 3

Will the Crown consider granting a 2 week extension to Bidder's given the timing of this RFP coincides with a heavy vacation period?

Answer 3

Canada will extend the solicitation closing date to September 28, 2021.

Question 4

Is there a firm currently providing similar services (within the last 2 years) to those required in the RFP to the IRCC?

Answer 4

There are no firms providing similar services as currently defined in the RFP within the last 2 years.
