PART 2 – EVALUATION OF PROPOSALS

2.1 Evaluation of Responses

- 2.1.1 An Evaluation Team has been assembled to review the responses, assess their compliance against the selection and evaluation criteria of this RFP, and consider accepting the responses of one or more compliant Bidders. The criteria to be used by the Evaluation Team to assess and rate the responses are shown in Appendix E, Evaluation Criteria and Financial Evaluation. All aspects of the criteria should be thoroughly addressed by Bidders. Those Bidders responding with unqualified phrases such as "we comply", will not be rated as highly as those Bidders that described in some detail just how they comply.
- 2.1.2 While price is a factor in the selection of the successful Bidder(s), other criteria are weighted and will be evaluated accordingly.

2.2 STAGES OF EVALUATION

The evaluation of responses will be conducted in the following stages:

2.2.1 **Stage I – Mandatory Criteria, Submission and Rectification**

Submission and Rectification Period

Stage I will consist of a review to determine which responses are complete and provide all required information to perform the subsequent stages of evaluation.

Only those Bidders whose responses meet the mandatory criteria, as described in Appendix E, Table 1 – Mandatory Criterion (Stage I), will proceed to Stage II.

Bidders who have submitted an incomplete response as of the Submission Deadline will be provided an opportunity to rectify any deficiencies related to completeness within the Rectification Period.

The Rectification Period will begin to run from the date and time that the Parliamentary Protective Service issues its rectification notice to a Bidder. During the Rectification Period, Bidders may not make changes to their responses, except to provide requested information necessary to complete the response.

At the end of the Rectification Period, responses which remain incomplete will be deemed non-compliant and excluded from further consideration. Responses that are deemed complete at the end of the Rectification Period will proceed to Stage II of the evaluation process.

2.2.2 **Stage II – Evaluation of Rated Criteria**

Stage II will consist of a scoring on the basis of the Rated Criteria as set out in Appendix E. Based on the evaluation results of the rated criteria, the Parliamentary Protective Service reserves the right to invite up to the top 5 highest-ranked bidders to Stage III.

PART 2 – EVALUATION OF PROPOSALS

2.2.3 Stage III – Live Walkthrough of Proposed Plan, Approach and Methodology

Stage III will consist of a live walkthrough of the bidder's proposal, highlighting their proposed plan, approach and methodology as well as introducing key members of the bidder's proposed project team, including the proposed Project Manager. The walkthrough will be rated on the quality and clarity of the information provided. Successful Bidders from Stage III will be move on to Stage IV.

2.2.4 Stage IV - Evaluation of Financial Proposal

Finally, bidders invited to Stage IV will be evaluated on their financial proposals. The financial evaluation is worth a total of 30% of the overall evaluated score. The Bidders' financial evaluation will be combined with the scoring of all previous Stages to determine the top-ranked bidder.

Subject to the Terms of Reference and Governing Law, the top-ranked Bidder as established under the evaluation will be selected to enter into an agreement for the provision of the Deliverables. The selected Bidder will be expected to enter into an agreement within the timeframe specified in the selection notice. Failure to do so may, among other things, result in the disqualification of the Bidder and the selection of another Bidder, or the cancellation of the RFP.

2.3 Mandatory Requirements

2.2.1 Submission Form

Each response must include a Submission Form (Appendix B) completed and signed by the Bidder.

2.2.2 Pricing Form

Each addendum forms an integral part of the RFP.

3.5.2.2 Such addenda may contain important information, including significant changes to the RFP. Bidders are responsible for obtaining all addenda issued by the Parliamentary Protective Service. The highest-ranked Bidder, as established under Part 2, Evaluation of Responses, will receive a written invitation to enter into negotiations with the Parliamentary Protective Service.

3.6.2 **Timeframe for Negotiations**

The Parliamentary Protective Service intends to conclude negotiations with the highest-ranked Bidder within **thirty (30) business days** commencing from the date the Parliamentary Protective Service invites the highest-ranked Bidder to enter negotiations. A Bidder invited to enter into negotiations should therefore be prepared to provide requested information in a timely fashion and to conduct its negotiations expeditiously.

3.6.3 **Process Rules for Negotiation**

Any negotiations will be subject to the process rules contained in this Part 3, Terms and Conditions of the Procurement Process and Appendix B, Proposal Submission Form and will not constitute a legally binding offer to enter into an agreement on the part of the Parliamentary Protective Service or the Bidder. Negotiations may include requests by the Parliamentary Protective Service for supplementary information from the Bidder to verify, clarify or supplement the information provided in its response or to confirm the conclusions reached in the evaluation, and may include requests by the Parliamentary Protective Service for improved pricing from the Bidder.

The terms and conditions that will form any resulting agreement will be provided to the highest-ranked Bidder prior the commencement of the negotiation process, and will form the starting point for negotiation.

3.6.5 **Failure to Enter Into Agreement**

Bidders should note that if the parties cannot execute an agreement within the allotted thirty (30) business days, the Parliamentary Protective Service may invite the next highest-ranked Bidder to enter into negotiations. In accordance with the process rules in this Part 3, Terms and Conditions of the Procurement Process and clause 2 of Appendix B, the Proposal Submission Form, there will be no legally binding relationship created with any Bidder prior to the execution of a written agreement. With a view to expediting agreement formalization, at the midway point of the above-noted timeframe, the Parliamentary Protective Service may elect to initiate concurrent negotiations with the next-highest-ranked Bidder. Once the above-noted timeframe lapses, the Parliamentary Protective Service may discontinue further negotiations with the highest-ranked Bidder. This process will continue until an agreement is formalized, until there are no more Bidders remaining that are eligible for negotiations or until the Parliamentary Protective Service elects to cancel the procurement process.

PART 3 – TERMS AND CONDITIONS OF THE PROCUREMENT PROCESS

3.6.6 Notification to Other Bidders

Other Bidders that become eligible for negotiations will be notified at the commencement of their respective negotiations. 3.6.7 Debriefing

Bidders may request a debriefing after receipt of a notification of award. All requests must be in writing to the Parliamentary Protective Service Contact and must be made within thirty (30) calendar days of notification of award. The intent of the debriefing information session is to aid the Bidder in presenting a better response in subsequent procurement opportunities. Any debriefing provided is not for the purpose of providing an opportunity to challenge the procurement process.

3.7 CONFLICT OF INTEREST AND PROHIBITED CONDUCT

3.7.1 Conflict of Interest

The Parliamentary Protective Service may disqualify a Bidder for any conduct, situation or circumstances, as solely determined by the Parliamentary Protective Service, that constitutes a Conflict of Interest. APPENDIX D – STATEMENT OF REQUIREMENTS

1. **PURPOSE**

The Parliamentary Protective Service (PPS) wishes to enter into a Framework agreement with an experienced systems integrator that will provide services for the implementation of the PPS Enterprise Resource Planning (ERP) solution based on Oracle Fusion Cloud ERP and Kronos Workforce Dimensions.

2. **BACKGROUND**

On June 23, 2015, the Parliamentary Protective Service was created by law under the Parliament of Canada Act. The Speaker of the Senate and the Speaker of the House of Commons are, as the custodians of the powers, privileges, rights and immunities of their respective Houses and of the members of those Houses, responsible for the Service. The newly created parliamentary entity amalgamated the former Senate Protective Service, House of Commons Security Services, and detection specialists, into a single unified security service to serve the Parliament of Canada. While the Director of the Service must be a member of the Royal Canadian Mounted Police (RCMP) by law, he or she has control and management of the daily operations of the organization.

The Director executes his or her mandate under the joint general policy direction of the Speaker of the Senate and the Speaker of the House of Commons. The Speakers of both Houses, being responsible for the Service, and the Minister of Public Safety and Emergency Preparedness have entered into an arrangement to have the RCMP lead the physical security operations of the Service.

Since its formation in 2015, PPS has leveraged multiple and disparate organizational support systems and services in use in partner organizations. These systems served the early needs of the PPS while it focused on developing its operational capabilities to provide protective and emergency services. The existing fragmented support system environment no longer meets the organization's current needs, and reliance on these systems constrains both its administrative and operational capabilities. Further development of the organization past its formative stage requires an ERP solution that supports PPS's strategic priorities and operating model.

In the past few months, PPS posted a request for proposal to acquire an ERP solution which resulted in the acquisition of Oracle/UKG Kronos as a SaaS solution.

3. **PROJECT SUMMARY**

The Service is looking for a systems integrator with a proven methodology and experience to lead and participate in the configuration and implementation of the Oracle/UKG Kronos solution in a phased approach. The Bidder will work on this project with a PPS team of subject matter experts and IT resources, the SaaS providers, and the IT infrastructure service provider.

It is the intention of the Service to leverage standard configurable functionality and to implement best practices for business processes, while avoiding customization to reduce the complexity of future system upgrades.

APPENDIX D – STATEMENT OF REQUIREMENTS

PPS is seeking to implement Oracle and Kronos services and modules to support the following high-level business functions. It is expected that Kronos will be used for Scheduling, leave and exception time reporting for all PPS employee.

APPENDIX E – EVALUATION CRITERIA AND COMPLIANCE MATRIX

1. EVALUATION CRITERIA COMPLIANCE

- 1.1 Each response will be evaluated separately, against the Evaluation Criteria contained herein.
- 1.2 It is the Bidder's responsibility to ensure that their response provides sufficient evidence for the PPS Evaluation Team to assess the compliance of the response with the criteria listed in this RFP.
- 1.3 Selection and evaluation is based on a "rules of evidence" approach, such that the Bidder's response is the sole demonstration of the Bidder's capacity to fulfill the requirement, as described within the RFP. No prior knowledge of or experience with the Bidder on the part of the PPS Evaluation Team will be taken into consideration.
- 1.4 Bidders must include any reference material they wish to be considered for evaluation within their response. Any material or documents outside the response will not be considered. Should a Bidder wish to provide screen shots of its website for evaluation, copies or printouts of website material should be included within the response. URL links to the Bidder's website will not be considered by the PPS Evaluation Team.
- 1.5 Responses will be evaluated in accordance with the following three (3) stages:
 - Stage 1** - Bidders will be evaluated on the basis of the Mandatory Criteria.
 - Stage 2** - Bidders who have met all of the Mandatory Criteria will be evaluated on the basis of the Rated Criteria.
 - Stage 3** - Bidders who have met the pass mark(s) on the Rated Criteria will be evaluated on the basis of their Financial Proposal.

2. COMPLIANCE MATRIX

The Criteria Compliance Matrices (below, Mandatory and Rated) will be used by the PPS Evaluation Team to find the required information in the Bidder's response. Bidders should include information on where within their response evidence can be found to support their compliance with each individual criterion.

E – EVALUATION CRITERIA AND COMPLIANCE MATRIX

3. FINANCIAL EVALUATION

- 3.1 The Bidder's Financial response is worth thirty (30%) of the overall point total.
- 3.2 Bidders must complete the Pricing Structure Form in Appendix C, Pricing Structure. Pricing will be scored based on a relative pricing formula using the methodology set out below in 3.3.
- 3.3 Each Bidder will receive a percentage of the total possible points allocated to price by dividing that Bidder's total estimated price into the lowest bid total estimated price. For example, if a Bidder's offered price is \$120.00 and that is the lowest bid price, that Bidder receives 100% of the possible points ($120/120 = 100\%$). A Bidder who offers a price of \$150.00 receives 80% of the possible points ($120/150 = 80\%$), and a Bidder who offers a price of \$240.00 receives 50% of the possible points ($120/240 = 50\%$).

$$\begin{array}{l} \text{Lowest rate} \\ \text{-----} \\ \text{rate} \end{array} \quad \times \quad \text{Total available points} = \text{Score for offer with second-lowest rate}$$
$$\begin{array}{l} \text{Second-lowest rate} \\ \\ \text{Lowest rate} \\ \text{-----} \\ \text{rate} \end{array} \quad \times \quad \text{Total available points} = \text{Score for offer with third-lowest rate}$$
