## SOLICITATION AMENDMENT 001

This amendment is raised to make the following revision to the Solicitation:

### Revision 1:

In 1.2 Summary,

Replace:

#### 1.2.6 Optional Site Visit

It is recommended that Bidders who intend to submit a bid participate in a vessel viewing.

With extended health and safety protocols in place, vessel viewings will be conducted one Bidder at a time during scheduled appointments in Sidney, BC on September 07, 2021 between 8:00 a.m. and 12:00 p.m. (Pacific Daylight Time).

The Contractor must provide a detailed work schedule to the Contracting and Technical Authorities no later than five (5) working days before the commencement of the Work showing the commencement and completion dates for the Work in the available work period, including realistic target dates for significant events. During the Work Period the schedule is to be reviewed on an ongoing basis by the Inspection Authority and the Contractor, updated when necessary, and available in the Contractor's office for review by Canada's authorities to determine the progress of the Work.

Appointments will be scheduled on a first come, first serve basis.

No more than 3 representatives of a Bidder, including their planned subcontractor representatives, may attend any given scheduled appointment. Physical distancing practices must be followed at all times in accordance with provincial and federal regulations and protocols, and as further instructed by Canada's representatives. Note that participants may be subject to screening for COVID-19 symptoms. Any participant deemed to be exhibiting symptoms will not be granted site access.

The time allocated to each appointment includes the duration of the vessel viewing and the time required to walk to the vessel from the designated meeting location after any symptom and security screenings. All participants will be required to immediately disembark the vessel upon the termination of the allocated duration of the appointment and proceed to the designated site exit.

Bidders must submit their appointment request by e-mailing the Contracting Authority the name(s) of the planned participants by 11:59 a.m. (Pacific Daylight Time) on August 31, 2021. The Bidder will then be assigned an appointment, advised of any personal protective equipment requirements, and logistical details.

Due to the Vessel's mandate and operational needs, the Vessel might become unavailable for the scheduled appointment. Canada will inform registered participants of a new date and time for any rescheduled appointment. The Bidder is responsible for all of its expenses associated in participating in the appointment, including the costs associated with the rescheduling of the site visit.

Bidders who do not attend or do not send a representative will not be given an alternative appointment, but they will not be precluded from submitting a bid.

Canada will not provide responses to questions raised during the appointment that could be material to the
