This Amendment 001 to solicitation 5000060431 is raised to answer supplier inquiries and modify the solicitation as follows:

**Amendment 001**

The Solicitation is amended as follows:

At page 30 - Background, second paragraph–

**Delete** the words “despite being lightweight. “

At page 32 - **Task 1: Compile a database of voluntary recycling programs in the construction, renovation and demolition industry**

**Delete** - For example, Sika Sarnafil's “take back” recycling program allowed contractors to reclaim 460,000 square feet of waste. Sarnafil roofing membrane removed from building roofs and make this available for new membranes or other uses. Sarnafil's Roof Recycling Program boasts 80 million pounds of processed products using recycled material throughout the duration of its program.

**All other terms and conditions of the bid solicitation remain unchanged.**
