SOLICITATION AMENDMENT 001

THE FOLLOWING AMENDMENTS TO THE BID DOCUMENT IS EFFECTIVE IMMEDIATELY. THE AMENDMENTS SHALL FORM A PART OF THE CONTRACT DOCUMENTS.

QUESTIONS AND ANSWERS:

Q1 - In section 2.1 of the NPP, mandatory requirement #2 states that the winch must "have a hydraulic drive". Would PWGSC and DFO be willing to accept an electric winch that meets or exceeds the mandatory requirements? The winch would have an electric substitute for hydraulic system related mandatory requirements #3 (i.e. manual electric control) and #4 (i.e. failsafe emergency break).

A1 - We are willing to accept an electric winch if the controls are waterproof to sea water.

Q2 - I am writing you about above solicitation number. please clarify about our questions below: will the engine have a power take-off to mount the pump directly?

A2 - Yes.

Q3 - It appears the level wind requires a sheave, what orientation does the rope leave the sheave?

A3 - The rope should leave the sheave from the top.

By submission of its bid, the Bidder confirms that it has read and understands the requirements expressed in all amendments and has included all costs of these requirements in the Total Bid Amount.
ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
