Advanced Contract Award Notice

Title: Seal Cove Base Garbage Bin Rental and Garbage Pick-Up.

1. ACAN

An ACAN is a public notice indicating to the supplier community that a department or agency intends to award a contract for goods, services or construction to a pre-identified supplier, thereby allowing other suppliers to signal their interest in bidding, by submitting a statement of capabilities. If no supplier submits a statement of capabilities that meets the requirements set out in the ACAN, on or before the closing date stated in the ACAN, the contracting officer may then proceed with the award to the pre-identified supplier.

2. Definition of requirement

The Department of Fisheries and Oceans has a requirement to supply all equipment, materials and labor to provide Waste Management Services including the collection, removal and disposal of general trash, recyclable cardboard bins and wood bins in accordance with attached site plans, from the Canadian Coast Guard Base located 2501 Seal Cove road. This service will include the supply of garbage containers complete with closable lids. Each container must be clearly identified for the contents permissible to be deposited. All containers must be in good condition, no serious external damage, no perforations due to corrosion, all components in good working order.

Waste type, bin size and pick-up schedule:

Item	Location	Contents	Quantity	Size (cubic yard)	Rate of Pick-up
1-A	Shops Complex	Trash	1	6	Once per week
1-B	Shops Complex	Cardboard	1	6	Once per week
1-C	Wharf	Trash	1	6	Once per week
1-D	Wharf	Cardboard	1	6	Once per week
1-E	Yard	Wood	1	20	Once per month

3. Tasks

The Contractor must ensure that the garbage, waste paper, crating, building, recyclable materials and organics will be disposed of completely and/or recycled in such a manner that the Crown is relieved of all further responsibility for such disposal, and respects the local recycling programs. Any paper, liquid, dry debris, etc., spilled during the emptying of any container(s) must be completely picked up/cleaned up and disposed of immediately. All Containers are subject to the approval of Fisheries and Oceans, Seal Cove Base RPSS Facility Manager

4. Criteria against which the statement of capabilities submitted by potential suppliers will be assessed.

The supply of (size) garbage containers of adequate size to support the volume of waste described below complete with closable lids.
