ALL BIDDERS SHALL READ THE ENTIRE ADDENDUM AND TAKE INTO ACCOUNT ITEMS AFFECTING THEIR RESPECTIVE RESPONSIBILITIES.

This Addendum forms part of Bid documents issued for above project and no consideration will be entertained for extras to contract due to failure of any bidder to become thoroughly familiar with the Addendum.

Reference to Specifications also applies to drawings with or without specific reference thereto and vice versa. This Addendum consists of **two (2) PAGE(S)**.

GENERAL

1. Are there any entry restrictions to the laboratory / public areas?
 - a. All areas require our security clearance process to be completed as mentioned in the tender package. Common area work may need to be restricted to after typical work hours due to traffic concerns. Laboratory areas will need to be scheduled well in advance with the laboratory supervisors.
2. Is there any commissioner deployment requirement for this project?
 - a. Once your employees are fully screened, there is no need for commissionaires to attend site with you during regular working hours. For all work ongoing after typical work hours, commissionaire escorts will need to be utilized.
3. Is there any asbestos/hazardous material report available for this building?
 - a. Yes, we have a live copy onsite that is available for the chosen vendor to review after they have been awarded work in that part of the building.
4. Is there any asbestos/hazardous material abatement required for this tender?
 - a. If removal of asbestos material surrounds the area that will need to be utilized, yes.
5. Should all personnel on site be 2-shots vaccinated against COVID-19?
 - a. Yes.
6. Can you provide a copy of the Asbestos Survey Report for the building?
 - a. This is answered by question 3 of this addendum.
7. There are a few locations on the plans that state work is to be done by others, for both door modifications and electrical modifications. Can you confirm that we should not carry these costs in our tender?
 - a. Drawing notes where wording is noted as "WORK BY OTHERS" is work to be completed by NRC and contractor is not to carry any costs for worked described by note.
