Amendment 009 to the Request for Standing Offer is raised to answer questions and make modifications.

All other terms and conditions of the solicitation remain the same.

A proposal already submitted may be amended prior to closing time by sending the amended correspondence to Bid Receiving, the envelope bearing the proposal No. 23240-220001 and the closing date of October 7<sup>th</sup>, 2021.

## **QUESTIONS**

**Question 1:** Is this notice essentially just a heads-up that a tender will be coming at a later date after Oct 7th, or is this the actual tender notice, due by Oct 7?

**Answer 1:** This is an official request for standing offer closing on October 7, 2021.

**Question 2:** What next steps do I need to take? So far I have added my information to the List of Interested Suppliers, but am not sure what to do or where to go from here.

**Answer 2:** Refer to section 2.2 Submission of Offers for information on how to submit your bid. Please read through the entire document to make sure that bids are compliant with what is requested by Canada.

**Question 3:** Do I need to register for SAP Ariba for this one? Or do I need to register in the Supplier Registration Information (SRI) system for this one?

**Answer 3:** SAP Ariba is not required at this moment. Supplier Registration Information (SRI) will only be required if a contract is awarded. Should you want to register for this now it might save time if a contract is awarded to your company.

**Question 4:** What are the limitations for subcontractors included in the submission? I would like to know if there is a limit on how much they can contribute to a project once awarded an assignment?

**Answer 4:** Only the evaluated resource is permitted to work under the awarded contract. Sub-contractors are not allowed for this method of supply.

**Question 5:** Sub-contractor; Are there any restrictions to their involvement in assigned projects?

**Answer 5:** Only the evaluated resource is permitted to work under the awarded contract. Sub-contractors are not allowed for this method of supply.

**Question 6:** Are there any limitations to the number of pages in our submissions for additional material - re. CVs?

**Answer 6:** No.

**Question 7:** Are we to submit a separate bid for each individual or each AE that we would like to apply for (e.g., five separate bids) or one submission for the company that includes all the individuals and AE that we would like to submit for (e.g., one document containing five AE with the information of all the proposed individuals included)?

**Answer 7:** Bidders are to include all categories into one document only.
