SOLICITATION AMENDMENT 001

This Amendment is raised to add the following clauses to the solicitation.

ADD:

2-6 Optional Site Visit

It is recommended that Bidders who intend to submit a bid participate in a vessel viewing.

With extended health and safety protocols in place, vessel viewings will be conducted one Bidder at a time during scheduled appointments on October 1, 2021 in Sidney, BC at Institute of Ocean Sciences (IOS).

Appointments will be scheduled on a first come, first serve basis.

No more than 4 representatives of a Bidder, including their planned subcontractor representatives, may attend any given scheduled appointment. Physical distancing practices must be followed at all times in accordance with provincial and federal regulations and protocols, and as further instructed by Canada's representatives. Note that participants may be subject to screening for COVID-19 symptoms. Any participant deemed to be exhibiting symptoms will not be granted site access.

All participants will be required to immediately disembark the vessel upon the termination of the allocated duration of the appointment and proceed to the designated site exit.

Bidders should submit their appointment request by e-mailing the Contracting Authority the name(s) of the planned participants by 12:59 p.m. (PDT) on September 28, 2021. The Bidder will then be assigned an appointment, advised of any personal protective equipment requirements, and logistical details.

Due to the Vessel's mandate and operational needs, the Vessel might become unavailable for the scheduled appointment. Canada will inform registered participants of a new date and time for any rescheduled appointment. The Bidder is responsible for all of its expenses associated in participating in the appointment, including the costs associated with the rescheduling of the site visit.

Bidders who do not attend or do not send a representative will not be given an alternative appointment but they will not be precluded from submitting a bid.

Canada will not provide responses to questions raised during the appointment that could be material to the solicitation or other bidders. Bidders are invited to e-mail their questions to the Contracting Authority in accordance with Section 2-3 (Enquiries – Bid Solicitation).

Participants may be required to present valid government-issued photo identification and sign attendance sheets. Participants must comply with all regulations, instructions and directives in force on the site and vessel.

Any clarifications or changes to the bid solicitation resulting from the appointments will be included as an amendment to the bid solicitation.

ADD:

Optional Vessel work – Clause 1.2.3 and 7.1.1

There exists an option for work on a second landing barge under the same conditions as Annex A and Annex B. Some work may require unscheduled work to be completed. This option may be exercised up to March 31, 2022 by the contracting authority.

Vessel particulars: Length is 34.1ft, Width is 10.3ft and Weight at 17500lbs.
