SOLICITATION AMENDMENT NO. 003

This amendment is raised to:

1. Provide answers to Bidders questions in relation to the above mentioned solicitation; and
2. Amend the RFP accordingly.

Q.11 The Cyber Protection Services roles do not align with the complex strategy work being asked for in the experience and credentials. In order to ensure that the RCMP has a strong slate of candidate bidders, we respectfully request the removal of the Cyber Protection Services roles from the current RFP or allow Bidders that have submitted for the addition of those roles prior to the date of the bid submission to be eligible to compete.

A11. Canada revises the RFP as follows:
