This amendment is issued to publish questions and answers.

1. Questions and Answers

Question 1

Amendment 011 dated 2021-09-22 includes substantial changes to this solicitation:

Q/A No. 2 significantly changes the Basis of Payment;

Q/A No 3 significantly changes the resource experience requirements in M2 for the Project Executive, specifically by reducing the size / value of the large-scale IM/IT modernization program from >\$300M to >\$150M;

Q/A No 4 significantly changes the resource experience requirements in M2 for the Project Manager, specifically by extending the time period for reference projects from 3 years of bid issuance to 5 years of bid issuance.

Making these changes so late in the solicitation period will require all vendors to re-evaluate and perhaps re-do their pricing and recruiting strategies. Vendors may need to re-recruit based on the new criteria in order to remain competitive.

Will Canada please extend the closing date for this solicitation by two (2) weeks to allow bidders to adjust their pricing and recruitment strategy in response to these changes?

Answer 1

Canada will not extend the solicitation closing date further.

ALL OTHER TERMS AND CONDITIONS OF THE BID SOLICITATION REMAIN UNCHANGED
