The Request for Proposal (RFP) Amendment 009 is raised to answer Bidders questions and amend the RFP.

## **QUESTIONS AND ANSWERS**

### **Question 27**

We respectfully request that Bidders be allowed to apply the billable days of one TBIPS category to another TBIPS category as long as the client is the Canadian Federal Government and the direct contracting client agrees that the specific duties of the category were performed by the contracted resource(s).

### **Answer 27**

To qualify for M2, the Bidder must use contracts with the same resource Categories and their level as listed in the requirement.

### **Question 28**

Given the size and scale of the project and the scrutiny that comes with such a large expenditure (estimated at \$40 million based on the current contract), how does the Crown mitigate the risk of a Bidder submitting unrelated billable days information while ensuring full compliance of M2/R1 if there is no reconciliation or attestation from a client?

### **Answer 28**

As per the Request for Proposal, all bidders must provide signed certification that all the information provided in the bid is complete, true and accurate. Canada may request additional information to verify Bidder's certifications.

### **Question 29**

As this solicitation required major sections of our bid to be re-written and new client signatures to be obtained in a very short timeframe, we are respectfully requesting a one (1) week extension to secure the information needed to submit a compliant response.

### **Answer 29**

See RFP amendment below.

### **Question 30**

In M1, the requirement asks for the Bidder to demonstrate having been awarded, within the past 5 years prior to the solicitation posting date, two (2) Informatics Professional Services<sup>1</sup> contracts, for large 2 clients, with a minimum contract value of \$5 million each. We respectfully ask the Crown to allow for contracts to be awarded in the last 7 years to allow for invoicing of \$5 million on the contract that the client letter requires.

### **Answer 30**

Canada has reviewed the request, however the requirement remains unchanged.

### **Question 31**

Due to the complexity of the solicitation and the effort required to put together a compliant proposal we respectfully request a one week extension to the closing date.

### **Answer 31**

See RFP amendment below.

### **RFP AMENDMENT**

**The closing date for this Solicitation has been extended to October 07, 2021.**

**ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED**
