

Form 1

CCaaS Software Publisher Certification Form
(to be used where the Supplier itself is the Software Publisher)

The Supplier certifies that it is the software publisher of all the following software products and components and that it has all the rights necessary to license them in accordance with the terms and conditions of the SA (and any non-proprietary sub-components incorporated into the software) on a royalty-free basis to Canada:

[Suppliers should add or remove lines as needed, or attach the product list as an appendix]
