Answer #3:

The cables may run free air in a bundled/orderly manner.

Question #4

Can we get pictures of the loading dock and freight elevator access.

Answer #4:

See attached picture/drawing

Question #5

On site receiving and storage. Will there be a person on site to receive deliveries? A lockable secure area will be needed to store equipment and supplies. For example, a delivery of multiple skids of displays, these will need to be stored in a secure spot. How will the person receiving deliveries transfer equipment to the secure storage area?

Answer #5:

As per the SOW, the contractor must assemble all goods in its warehouse, to be delivered onsite (one time) prior to installation. Delivery must be coordinated with Building Management and the Project Authority. Once ready to deliver the PA and contractor will agree on a date/time for deliveries. Yes, secure on site storage will be available. The contractor is responsible for deliveries to the floor/secure storage area.

Question #6

Will there be demountable walls?

Answer #6:

No, there are no demountable walls.

Question #7

Will there be a fit-up electrical company? Who will it be?

Answer #7:

Yes, the company is unknown at this time.

Question #8
