DESCRIPTION OF THE REQUIREMENT:

This bid solicitation is being issued to satisfy the requirement of the Department of Foreign Affairs, Trade and Development Canada (DFATD) the "Client" under the framework of the Supply Arrangement for Task and Solutions Professional Services (TSPS).

Health is one of the key areas of DFATD's programming framework in Mali, and child protection is another. The Jam Suka project: Child Protection in Mali was implemented by Right to Play Canada (RTP) over a 5-year period between April 2016 and May 2021.

It is in this context and within the context of the Feminist International Assistance Policy that the project officer feels that a summative evaluation (funded through the assistance budget) would be useful for the program and would have the following objectives:

- provide concrete food for thought to inform future programming concerning child protection in Mali.
- inform local and national stakeholders of the achievements of the Jam Suka project, including the operationalization of the Child Protection Information subsystem (CPIS);
- propose some ideas for the sustainability of the gains of the CPIS.

The contractor will provide one (1) Evaluation Services Consultant and two (2) Mali-based Subject Matter Expert during the term of the mandate.

The same resource can be submitted for the (two) 2 categories of necessary resources

Given the significant extent of the intervention areas of the JAM SUKA project, the team should be made up of at least three (3) people who could simultaneously work on the different project sites

The intent of this solicitation is to establish one (1) contract.

MAXIMUM FUNDING:

The total maximum funding available for the contract resulting from the bid solicitation is CAN **\$188,543.00** Goods and Services Tax or Harmonized Sales Tax extra, as appropriate.
