Amendment No. 001

This amendment is being raised to insert the following:

In Supplementary Conditions (SC):

Insert:

SC05 – 4013 – Compliance with on-site measures, standing orders, policies, and rules

The Contractor must comply and ensure that its employees and subcontractors comply with all security measures, standing orders, policies or other rules in force at the site where the Work is performed.

In Special Instructions to Bidders (SI):

1) Insert:

SI15 – A3015C: Certifications - Contract

Compliance with the certifications provided by the Contractor in its bid is a condition of the Contract and subject to verification by Canada during the term of the Contract. If the Contractor does not comply with any certification or it is determined that any certification made by the Contractor in its bid is untrue, whether made knowingly or unknowingly, Canada has the right, pursuant to the default provision of the Contract, to terminate the Contract for default.

2) Insert:

SI16 – A3080T – COVID-19 vaccination requirement

This requirement is subject to the COVID-19 Vaccination Policy for Supplier Personnel. Failure to complete and provide the COVID-19 Vaccination Requirement Certification as part of the bid will render the bid non-responsive.

Insert:

Annex C - A3081T – COVID-19 vaccination requirement certification

In accordance with the COVID-19 Vaccination Policy for Supplier Personnel, all Bidders must provide with their bid, the COVID-19 Vaccination Requirement Certification attached to this bid solicitation, to be given further consideration in this procurement process. This Certification incorporated into the bid solicitation on its closing date is incorporated into, and forms a binding part of any resulting Contract.

Annex - COVID-19 Vaccination Requirement Certification

I, _____ (*first and last name*), as the
representative of _____ (*name of business*)
pursuant to _____ (*insert solicitation number*),
warrant and certify that all personnel that

_____ (*name of business*) will provide on the
resulting Contract who access federal government workplaces where they may come
into contact with public servants will be:

- (a) _____ fully vaccinated against COVID-19 with
Health Canada-approved COVID-19 vaccine(s); or
- (b) _____ for personnel that are unable to be
vaccinated due to a certified medical contraindication, religion or other prohibited
grounds of discrimination under the *Canadian Human Rights Act*, subject to
accommodation and mitigation measures that have been presented to and approved
by Canada;

until such time that Canada indicates that the vaccination requirements of the COVID-
19 Vaccination Policy for Supplier Personnel are no longer in effect.

I certify that all personnel provided by _____ (*name of business*)
have been notified of the vaccination requirements of the Government of Canada's
COVID-19 Vaccination Policy for Supplier Personnel, and that the
_____ (*name of business*) has certified to their compliance with
this requirement.

I certify that the information provided is true as of the date indicated below and will
continue to be true for the duration of the Contract. I understand that the certifications
provided to Canada are subject to verification at all times. I also understand that
Canada will declare a contractor in default, if a certification is found to be untrue,
whether made knowingly or unknowingly, during the bid or contract period. Canada
reserves the right to ask for additional information to verify the certifications. Failure to
comply with any request or requirement imposed by Canada will constitute a default
under the Contract.

Signature: _____

Date: _____

All other terms and conditions of the solicitation remain the same.
