This solicitation amendment is hereby issued to advise suppliers of a second Optional Vessel Viewing.

Second Optional Site Visit

It is recommended that Bidders who intend to submit a bid participate in a vessel viewing.

With extended health and safety protocols in place, vessel viewings will be conducted one Bidder at a time during scheduled appointments between October 22 and October 26, 2021. The Vessel will be located at the Pacific Biological Station in Nanaimo, BC.

Appointments will be scheduled on a first come, first serve basis.

No more than 4 representatives of a Bidder, including their planned subcontractor representatives, may attend any given scheduled appointment. Physical distancing practices must be followed at all times in accordance with provincial and federal regulations and protocols, and as further instructed by Canada's representatives. Note that participants may be subject to screening for COVID-19 symptoms. Any participant deemed to be exhibiting symptoms will not be granted site access.

All participants will be required to immediately disembark the vessel upon the termination of the allocated duration of the appointment and proceed to the designated site exit.

Bidders should submit their appointment request by e-mailing the Contracting Authority the name(s) of the planned participants by 3:00 p.m. (PDT) on October 21, 2021. The Bidder will then be assigned an appointment, advised of any personal protective equipment requirements, and logistical details.

All the other terms and conditions of the Solicitation remain the same.
