The Contractor must comply and ensure that its employees and subcontractors comply with all security measures, standing orders, policies or other rules in force at the site where the Work is performed.

QUESTIONS AND ANSWERS

Question 1:

The crew we propose to send will be coming from Nunavut rather than southern Canada. While the RFP does say that we'll be leaving via Trenton we're wondering if there is any flexibility on that requirement because we'd have to travel South only to go back up? There are potential time and cost savings to be had.

Answer 1:

If the Contractor wishes, they may charter their own flight directly from their home base to Eureka, Nunavut rather than Trenton, Ontario. DND personnel will then meet the Contractor's personnel in Eureka, Nunavut. It will be at the discretion of the Bidder to determine which travel option provides the most cost savings and bid accordingly. The financial evaluation will not change regardless of which option is presented.
