## AMENDMENT NO. 004

---

This amendment is raised to answer Bidder's questions.

### QUESTIONS AND ANSWERS

#### Question 1:

What is the expected scheduled period for the work on site, the terms of the Contract Section 6.4.2 states "before 31 March 2023" and Section 2 of amendment 001 states that delivery of the Contractor requirements is Summer 2022.

#### Answer 1:

Contract clause 6.4.2 Delivery Date refers to the Government of Canada 2022-2023 fiscal year which ends 31 March 2023. By this date we require the Contract to be fully completed paid and closed off.

Delivery of the SOW Contractor requirements is summer 2022. The exact start date will be determined following the DND Main Planning Meeting for the 2022 Operation which typically takes place in the January/February 2022 timeframe.

The SOW delivery timeline window on Ellesmere Island is 14 days in July 2022 to allow as much snow/ice to melt as possible. Transportation by DND to Ellesmere Island is on a 14 day return flight schedule.

Tentative schedule (assuming a CFB Trenton departure):

Day 1: Departure from CFB Trenton, ON (early morning departure on DND Hercules aircraft)

Day 1: Arrival at CFS Alert (in case of weather flight diversion: USAF Thule, Greenland)

Day 2: Departure via DND Twin Otter aircraft from CFS Alert to Eureka (alternatively, Hercules flight from Thule to Alert and then Twin Otter to Eureka)

Day 3-13: Travel to and from Eureka to Mount Arthur

Day 14: Travel from Eureka to CFS Alert

Day 15: Travel from CFS Alert to Trenton, ON (alternatively, the Hercules flight may overnight in Resolute, NU at the discretion of the flight crew)

Day 16: Potential travel day if a Resolute layover is required (Resolute/CFB Trenton)
