Solicitation Amendment # 1

This amendment is hereby raised to affect the following:

- 1. To include Questions and the Responses for the solicitation;**
 - 2. To include the missing SOW Appendix B (appendix to Annex A – Statement of Work);**
 - 3. To modify the Request for Proposal document article 2.5 Bidder's Conference; and**
 - 4. To modify the Request for Proposal document article 2.6 Site Visit.**
-

1. To include Questions and the Responses for the solicitation.

Q1. Am I correct to interpret that if we (e.g. Company ABC - North America) were to send you an NDA (non-disclosure agreement) signed by the authorized representative of another legal entity of ours (e.g. Company ABC - Europe, where our international engineering team works), that we (Company ABC - North America) would be able share the confidential information (contents of the Technical Data Package, TDP) with the entire team (from Company ABC - Europe) in that legal entity? Or do you need an NDA for each one of those engineers (or employees)?

A1. Correct. To share the information with other colleagues from a different entity (where Company ABC - North America needs to share information with Company ABC – Europe, to acquire their engineering expertise, for example), then Company ABC - North America and Company ABC - Europe will both submit NDAs, signed by each authorized representative, who will distribute the information (on a need-to-know basis) to their employees within their entity; each employee is not expected to sign an NDA.

Q2. Does Canada have specific guidelines for the transfer of information (from the TDP) to our suppliers & subcontractors? Are they considered employees according to the terms used in Annex S (non-disclosure agreement)?

A2. Anyone to whom the drawings or documents (contents of the TDP) are disclosed to, must sign a non-disclosure agreement (i.e. the entity's authorized representative must sign on that entity's behalf). Have your subcontractors and suppliers also sign the NDA and either:

a) forward it to me (the signed NDA) on their behalf and then, you can send them the applicable TDP drawing/document; or

b) forward the signed NDA and request that I send them the links (and any updates), and then you tell them which TDP drawing/document to use, exactly; or

c) the supplier/subcontractor can send the NDA directly to me, then I will send them the link and updates, and you can tell them which TDP drawing/document to use (some suppliers have already sent me the NDA).

Q3. When will the Pricing Data Sheet (PDS) for this project be published on BuyandSell.gc.ca?

The PDS is targeted to be published approximately a week before the first Site Visit day of November 30th.

2. To include the missing SOW Appendix B (appendix to Annex A – Statement of Work).

The file is available under the Attachment section (ANNEX_ANNEXE A - Appendices A B C REV 1). Note that only Appendix B has been added (Appendices A and C are unchanged).

3. To modify the Request for Proposal document article 2.5 Bidder's Conference; *altered sentences are shown in bold italics.*

2.5 Bidders' Conference

A virtual Bidder's conference chaired by the Contracting Authority will be held on December 6, 2021 at 11 AM EST. The scope of the requirement outlined in the solicitation will be reviewed during the conferences and questions will be answered. It is recommended that Bidders who intend to submit a bid attend or have representation attend. It will be assumed that the Bidders attending the Bidders' Conferences have read the specification included in Annex A, and are prepared for the conferences.

Bidders are requested to communicate with the CA before the conferences to confirm attendance (i.e. virtual meeting details shall be sent to participants). ***Bidders should provide by email to Madeleine.Pandini@pwqsc-tpsgc.gc.ca, the name(s) of the person(s) who will be attending and a list of issues they wish to table, no later than November 17, 2021 at 6 PM EST.***

Any clarifications or changes to the solicitation resulting from the Bidders' Conference will be included as an amendment to the solicitation.

4. To modify the Request for Proposal document article 2.6 Site Visit; *altered sentences are shown in bold italics.*

Delete (in its entirety):

2.6 Site Visit - Vessel

Insert:

2.6 Site Visit – Vessel (Optional)

Arrangements have been made for a four (4) day vessel viewing period on November 30th, December 1st, December 2nd, and December 3rd, 2021. Participants must check in at 280 Southside Road, St John's, NL, for COVID-19 screening, prior to being directed to the vessel. Vessel viewings will be organized in scheduled time slots beginning at 8 AM Newfoundland and Labrador time, as required.

Due to the ongoing changes regarding provincial travel restrictions and the unknown nature of the current Covid-19 pandemic, this will be an optional viewing. However, all interested parties may attend as long as all valid Covid-19 protocol and provincial travel regulations at the time of the viewing are closely followed. A virtual package of the vessel is being assembled and will be provided to all potential bidders.

Bidders must communicate with the Contracting Authority no later than November 17, 2021 at 6 PM EST, and provide the name(s) of the person(s) who will attend (limit the number of attendees to four). Assigned slots shall be communicated no later than November 18, 2021. Bidders may indicate preferences; Canada will attempt to accommodate preferences, but shall resort to assigning time
