**Advanced Improvised Explosive Device Detection and Defeat (AIEDDD) Project
Request for Information (RFI) Process**

UNCLASSIFIED - NON CLASSIFIÉ

Request for Information Amendment 002 has been raised to answer questions from Industry, as follows:

Question 3:

The RFI is stating that responses to "Annex A" must be provided by December 17th, 2021. Due to unforeseen circumstances within our organization, we may not be in a position to have our response submitted in time for that date and would have to submit at a later time (by January 31st, 2022). Will this be acceptable and can we get an extension until that date?

Response 3:

Canada agrees to the request. Industry will now be requested to review the questions and provide answers to the PSPC Contracting Authority on or before Monday, January 31st, 2022. If respondents can submit replies by Dec 17th, 2021, then it would be appreciated.

All other terms and conditions remain unchanged.
