Solicitation Amendment # 2

This amendment is hereby raised to affect the following:

- 1. To include Questions and the Responses for the solicitation;**

1. To include Questions and the Responses for the solicitation.

Q1. Are there going to be 4 complete days for the site visit to the vessel? Or will each group (such as a ship yard bidder, supplier, or engineering designer, for example) only have a predetermined time period for the visit?

A1. Given the situation with the pandemic, Canada is going to assign time slots for the Site Visit to each group wanting to attend. Canada, therefore, needs to know the total number of groups attending in order to maximize the time slot duration on the vessel for each group. Amendment 001 requested your responses no later than 6 pm November 17, 2021.

[CCGS Terry Fox VLE \(F7049-200041/B\) - Buyandsell.gc.ca](https://buyandsell.gc.ca)

If you have not responded yet and would like to attend the Bidders' Conference or the Site Visit (or both), please respond so that Canada can determine and share the assigned vessel time slots and time slot durations with each party (on November 18), so that they can proceed with making arrangements.

Q2. I was discussing a potential site visit with our team this morning and basically the necessity to attend is somewhat influenced by the quality of the vessel 3d scans etc.
When is the government intending to release this information? If not before the site visit will there be another opportunity to visit once this information is available?

A2. 3D scans have been made available, per SOW Part A GR 01 section 1.1.1.7 instructions (also indicated in SOW Appendix A, under 'Other Resources').
Additional virtual 3D scans will likely be available by November 22 (end of day).
Another vessel viewing is not anticipated.

Efforts will be made to accommodate late confirmers but these slots may not be guaranteed to be as long in duration as predetermined slots.
