This Amendment 0010 is raised to answer a question received from the industry.

1- QUESTIONS AND ANSWERS

Q16:

Regarding the call for tenders EP938-212398/A, in the Mandatory Criteria, MT2, it is stipulated:

".... The Bidder must provide three (3) project summaries of construction projects each with a value of CDN\$50M or greater."

In terms of years of experience for this MT2 criterion, is it the same as for MT1?

A16 :

The MT1 and MT2 have two distinct evaluation criteria, MT1 requires evaluation according to the number of years of experience and according to specific categories including a minimum project value. MT2 evaluates the project category with a value over \$ 50M and not specifically the number of years as indicated in MT1.

As indicated in the bid preparation instructions, MT1 work stream # 1, *The bidder must submit three (3) construction project summaries with a value of at least \$ 50M (CAD) each including information requested in the instructions. And for work streams # 2 and 3, The bidder must submit three (3) major project summaries with a value of at least \$ 50 million (CAD) each including the information requested in the instructions.*

All terms and conditions remain unchanged.
