

Addendum 21-58065

1. The RFP states that a Bid Bond is required with the tender documents but it does not say if it is only the 1<sup>st</sup> year price or the first 2 year price and at what percent is the bid bond requirement.

Bid bond is 10% of the first two year price.

2. Can these Tender Responses be hand delivered to NRC at Procurement Services 1411 Oxford Street Halifax.

NO – these MUST be emailed.

3. Upon reviewing the tenders, I noticed reference of Appendix E however I do not see an Appendix E in either tender on the tender site.
  - 21-58064 Maintenance Services - Building Cleaning NRC Fredericton, and
  - 21-58065 Maintenance Services - Building Cleaning NRC Halifax.

Please disregard Appendix E. The Performance bond will be requested at contract closing.

4. Does the bid from last award included tax?

The last award is not referred to in any way in the RFP.
