Insert:

- (a) Offers will be assessed in accordance with the entire requirement of the Request for Standing Offers including the technical and financial evaluation criteria.
- (b) An evaluation team composed of representatives of Canada and Calian Ltd. and Modius Inc. will evaluate the offers.
- (c) The evaluation team will determine if there are two or more offers with a valid Canadian Content certification with the offers coming from two or more Offerors that are not affiliated within the meaning used in the Competition Act, R.S.C., 1985, c. C-34. In that event, only those offers with a valid certification will be eligible to be issued a standing offer; otherwise, all offers will be eligible. If at any point in the evaluation process it is found, whether by determination of invalidity of certifications, determination that offers are non-responsive or withdrawal of offers by Offerors, that there are no longer two (2) or more responsive offers with a valid certification, then all responsive offers will be eligible to be issued a standing offer. Canada may conduct the validation of Canadian content certifications at any time in the evaluation process including doing so concurrently with other steps.
- (d) Offers will be evaluated as stated in Annex "E".
- (e) Canada will use the Phased Bid Compliance Process described below.
- (f) To ensure maximum competition for the user evaluation, Canada reserves the right to cancel the tender (and retender using a revised scope) if there are less than 3 compliant Offerors.
