#	Document	Ref. Page	Section	Question	DND Response	Revision to RFP
1	Annex D Appendix 1	Table 1	Item 1	<p>In Annex D, Item #1. It mentions the offer having selling body armour systems for the past 5 years to NATO (5 eyes) countries.</p> <p>Does this apply to the accessory pouches or just the DAAS Plate carrier vest?</p>	<p>Sales are with respect to the DAAS only, not the accessory pouches.</p> <p>DND will not prequalify compliance during the solicitation period. The requirements for compliance are specified in the "Proof of Compliance" column of the table.</p>	Nil
2	RFSO	9 of 75	Part 4 Section 4.1 (amended)	Can you provide 80% Canadian Content for ballistic plate carrier vest and accessories for solicitation W6399-22LI63/A	<p>Canadian content is specified in SACC Clause A3050T as follows:</p> <p>"A good wholly manufactured or originating in Canada is considered a Canadian good. A product containing imported components may also be considered Canadian for the purpose of this policy when it has undergone sufficient change in Canada, in a manner that satisfies the definition specified under the Canada-United States-Mexico Agreement (CUSMA) Rules of Origin. For the purposes of this determination, the reference in the CUSMA Rules of Origin to "territory of one or more of the Parties" is to be replaced with "Canada". (Consult Section 3.130 and Annex 3.6 of the Supply Manual for further information.)"</p> <p>The product must fully (100%) meet this requirement to be considered a Canadian good within this requirement, not 80%.</p>	Nil

3	Annex E	49 of 75	A1.2(d)	<p>We have a question pertaining to Annex "E", section A1.2 (d); "the list must include the following as a minimum (MULTICAM in colour unless specified otherwise)". There is then a list of items i., ii, iii, iv, and v.</p> <p>Is the intend of the clause to state that we must be able to offer the complete list without exception? If we do not currently have, or unable to provide each and every item is our submission then considered non-compliant?</p>	<p>Annex E, Section 1.2(d) states: "To be compliant, the Offeror must submit the following with their offer: A complete list of all optional supporting items available for the DAAS....the list must include the following as a minimum (MULTICAM® in color unless specified otherwise):"</p> <p>Failure to submit all of the mandatory items on the list would deem the bid non-compliant.</p>	Nil
4	Annex C	40 of 75	2.1	<p>The are quantities listed for the DAAS.</p> <p>What will the quantities be for the various pouches?</p>	<p>The quantities for the pouches will be determined at time of Standing Offer award, but are projected to be less than the quantities for the DAAS</p>	Nil

PART 5 – CERTIFICATIONS AND ADDITIONAL INFORMATION

5.1 Certifications Required with the Offer

Insert:

5.1.4 Canadian Content Certification

This procurement is conditionally limited to Canadian goods.

Subject to the evaluation procedures contained in the bid solicitation, bidders acknowledge that only bids with a certification that the good(s) offered are Canadian goods, as defined in clause A3050T, may be considered.

Failure to provide this certification completed with the bid will result in the good(s) offered being treated as non-Canadian goods.

The Bidder certifies that:

() a minimum of 80 percent of the total bid price consist of Canadian goods as defined in paragraph 1 of clause A3050T.

For more information on how to determine the Canadian content for a mix of goods, a mix of services or a mix of goods and services, consult Annex 3.6, Example 2, of the Supply Manual.

5.1.4.1 Canadian Content Definition

SACC Manual clause A3050T (2020-07-01) Canadian Content Definition
