## Solicitation Amendment No. 003

### Title: Laboratory Temperature monitoring system – Moncton NB & Winnipeg MB

(1) This solicitation is hereby amended to provide the following questions and answers:

Question 8: Must or can a written proposal be included with the quotation?

Response 8: Response: The proposal must contain the information as per the solicitation document. This solicitation has mandatory evaluation criterions. Please consult <https://buyandsell.gc.ca/procurement-data/tender-notice/PW-MCT-033-6075> .

Question 9: For the installation timeframe, are there any provisions for Covid related delays? Will work be expected to be completed on weekends? After hours? Or during regular business hours?

Response 9: As per the solicitation document, a Covid-19 Vaccination Certification is required with your submission, see Annex D. Refer to Section 3.3 "Deliverables and Acceptance Criteria" and Section 3.4 "Constraints" of the solicitation document for provisions regarding the installation timeframe.

Question 10: Do alarm notification also need to be generated by CALL SMS/TEXT?

Response 10: This item is part of the additional specifications which are desirable and will be a contributing factor when awarding the contract.

Question 11: Do you want to monitor Web Cams?

Response 11: No

Question 12: Do you want to monitor any 3rd party sensors, including any differential pressure, flow, CO2 etc.

Response 12: No

Question 13: Does the system need to be validated? IQ/OQ/PQ?

Response 13: No

Question 14: Does the software need be FDA CFR 21 Part 11? GAMP5?

Response 14: No

Question 15: Do you require different types of views of the readings, ie, chart, layout and dashboard?

Response 15: This item is not part of the statement of requirement and therefore will not be evaluated.

Question 16: Is Auto report generation and auto emailing of reports required?

Response 16: No

Question 17: Is an audit trail important?

Response 17: This item is part of the additional specifications which are desirable and will be a contributing factor when awarding the contract.

Question 18: Are user rights important for software usage? View only? Admin?

Response 18: This item is not part of the statement of requirement and therefore will not be evaluated.

---

Question 19: Are there available ports in each LAN room for your system's connection to network in existing switches? How many ports are available at each site?

Response 19: This system will be independent from the existing network. A LIAS will be installed to suit the selected system.

Question 20: Is multi-level alarming required? Desired?

Response 20: This item is not part of the statement of requirement and therefore will not be evaluated.

Question 21: Is long battery life important? Are there any minimum requirements for this?

Response: As indicated in the mandatory technical specifications, the transmitters must run on a standard power supply and be equipped with a standard back-up battery with battery level indicator. Therefore, there are no minimum requirements for battery life.

Question 22: Is it important to have calibration adjustment performed within the software?

Response 22: As indicated in the mandatory technical specifications, adjustments of temperatures within the software must be possible.

Question 23: For the RTD, how many points of calibration are required?

Response 23: This item is not part of the statement of requirement and therefore will not be evaluated.

Question 24: Is a NIST traceable calibration sufficient or other?

Response 24: This item is not part of the statement of requirement and therefore will not be evaluated.

All other terms and conditions of the solicitation document remain unchanged remain unchanged.

If your bid has already been forwarded and you wish to revise same, this revision should be sent either in a sealed envelope and mailed to the below noted address or by facsimile (506) 851-6759 and reach the undersigned before the appropriate closing date. The solicitation number and the closing date are to be shown on the outside of the sealed envelope or on the facsimile transmission.

All enquiries concerning this amendment are to be forwarded to:
