Solicitation amendment 001 is issued to answer potential bidders' questions.

1. Questions and Answers, All questions appear in their original format and language. The T.A's response appears in red.

Question 1:

Roughly, what is the scanning range for this application?

Answer 1:

Scanning will be done from 1 meter or less. In most cases, PCA staff will be holding the item being scanned.

Question 2:

The RFP indicates a stand/base is required. As this is for Parks Canada, is it in your best interest to have a rugged stand? Or will the one in the standard kits comply?

Answer 2:

A standard stand/base will suffice. In most cases, the scanners/stands will be used indoors.

Question 3:

I also need an epost connect invite. I have an account, but let me know if I should be expecting an invite from you for the submission?

Answer 3:

We do not send out epost connect invites, please refer to section 2.2 of the Solicitation for the Bid Receiving Unit's email address for opening an epost Connect conversation. For additional information about epost, refer to the Standard Instruction 2003 section 08.
