SOLICITATION AMENDMENT No. 004

This solicitation amendment No. 004 is raised to:

- 1) Publish questions and answers that have been received in relation to this solicitation; and
- 2) amend the solicitation.

- 1) The following Questions and Answers have been provided:

QUESTION 1:

"CATEGORY 6A Item 14, there's conflicting information in the description, please advise if there is to be power/data."

ANSWER 1:

Yes there is power. A correction to line item 14, under Category 6A, will be done through solicitation amendment 004.

QUESTION 2:

"CATEGORY 6A Item 15 & 40, GOCUID is for a flip-top table, the description is for a fixed table, please advise."

ANSWER 2:

Line item 15 and 40, under Category 6A, is a flip-top table. A correction to these line items will be made through solicitation amendment 004.

QUESTION 3:

"CATEGORY 6A Line 18, the GOCUID is for a racetrack table and the description for a flip-top table, please advise."

ANSWER 3:

The GOCUID is incorrect. It should be 6MTRFTRECL24L60WYYY. A correction will be made through solicitation amendment 004.

QUESTION 4:

"CATEGORY 6A all training tables with daisy chain power/data. Do you want us to include individual power feeds for each table or just one feed for a set-up that is daisy-chained? If the latter, please provide a floor plan of the training tables?"

ANSWER 4:

For every 3 to 4 tables one power feed would be preferable for various mobile configuration.

QUESTION 5:

"CATEGORY 6A Line 41 and NSA Lines 48, 49, and 50 i) Can you please send additional specs and drawings, we're unclear what you mean by "Interior Leg". ii) Note says "Undermount cable tray integrated AV equipment by others", so are we to provide any power/data or just a cut-out? If not, please provide cut-out dimensions."

ANSWER 5:

i) Interior leg refers to 4 post legs that are inserted closer toward the center of the table and not placed exactly at the corners to provide leg room for people sitting on all sides of the table ii) providing cut-out, dimensions to be provided when awarded.

QUESTION 6:

"CATEGORY 6A Lines 42, 43, 44. Please send additional specs and drawings. Not sure of the application of the "Undermount cable tray integrated AV equipment by others" and if this would be

compatible with our tables. Are we to provide power/data or just the cut-out for others? If so, please provide cut-out details."

ANSWER 6:

The undermount/integrated cable tray is required to run both power and AV cables through (AV example: microphone). Providing cut-out and dimensions to be provided when awarded. Corrections to 6a-05 and 6a-06 to add power will be done through solicitation amendment 004.

QUESTION 7:

"CATEGORY 6A Line 44 GOCUID is for post legs without power/data. We're confused by the description as it asks for C-legs and not sure if power is required, is this supposed to be linking or standalone? Please clarify."

ANSWER 7:

We need C-legs. This line item will be moved and a correction will be done through solicitation amendment 004.

QUESTION 8:

"CATEGORY 6B line 2., GOCUID is for racetrack but the description says rectangular, please advise."

ANSWER 8:

The GOCUID is incorrect. Should be 6CNTCHREGLW8606UYXX. A correction will be done through solicitation amendment 004.

QUESTION 9:

"CATEGORY 6B line 7, line 11, and line 12, will the Contracting Authority (CA) respectfully also accept an high pressure laminate surface?"

ANSWER 9:

No.

QUESTION 10:

"CATEGORY 6B line 9, the GOCUID is for a flip-top table but the description is for a kitchen island table, please advise."

ANSWER 10:

The GOCUID is incorrect. It should be 6CKIVAREWL42L72TNXX. A correction will be made through solicitation amendment 004.

QUESTION 11:

"CATEGORY 6B line 13, will the CA also accept an option with flush end gables?"

ANSWER 11:

No.

QUESTION 12:

"CATEGORY 6B line 29. GOCUID is for rectangular tables and the description is for a D-top, please confirm."

ANSWER 12:

The GOCUID is incorrect. It should be 6CMUSHDSDL42L72WYXX. A correction will be made through solicitation amendment 004.

QUESTION 13:

"CATEGORY 6C NSA line 25, This item falls outside the range of our offering, can you respectfully remove it and place it in its own category or remove it from the NSA as we can bid everything else and don't want to be prohibited from bidding based on only three non-SA benches."

ANSWER 13:

Line item 25 will be removed from Category 6C and this will be reflected in solicitation amendment 004.

QUESTION 14:

"CATEGORY 6D lines 3 and 4. Wood legs are not an acceptable finish under Section 3.8.10.3.3 where it says must be chrome or painted metal. As such we have not made an allowance for wood legs in our offering. The quantity will exceed the maximum for a non-SA allowance so respectfully please accept a chrome sled base option or move to its own category so we may bid on lines 1 and 2."

ANSWER 14:

Please see the most up to date technical spec Version C.5 (July 2020), section 3.8.10.3.3 as it indicates legs to be chrome, WOOD or painted metal. We will be keeping the Wood legs spec.
