Response(s) (R) to Question(s) (Q)1:

Q1: At Annex B there is a Table: Basis of Payment which shows '% of contract' as a column. And in that column are percentages, 15%, 15%, 30%, 10% and 30%. Are those percentages just examples of how we should show our work or do we actually have to comply with those percentages? My breakdown of the work didn't really line up with those percentages but I can change my breakdown to match if the percentages need to be presented that way.

R1: Bidders must submit their Financial Bid in accordance with the Financial Bid Presentation Sheet at Attachment 1 to Part 3. Annex B is provided as an approximate distribution of the work.

All other terms and conditions of the Bid Solicitation remain the same.
