

ADDENDUM #1

CDIC RFSA 2020-2842 – 2021 REFRESH

Issued: December 13, 2021

-
- 1. Title** Information Technology Staff Augmentation and Project Delivery Services
-
- 2. Questions and Answers** Unless otherwise specified, capitalized words and terms have the meaning set out in the RFSA.
- This question and answer section is provided in response to questions received from Suppliers for the above-noted RFSA, and does not amend the terms and conditions of the RFSA.
- Q1. We were awarded a Supply Arrangement previously under RFSA 2020-2842 – I am just writing to confirm if we are required to respond RFSA 2020-2842 - 2021 Refresh, or if CDIC is just seeking to sign additional Supply Arrangements.**
- A1. Existing Supply Arrangement Holders are not required to respond to this RFSA 2021 Refresh, unless such Supply Arrangement Holders are seeking to be selected to provide services in Service Streams and/or categories of resources **for which they were not previously qualified under the Initial RSFA.**
- See section 15 (Open Supply Arrangement) of the RFSA for details.
- Q2. We are hoping it is possible for you to invite us to submit a proposal for the Information Technology Staff Augmentation and Project Delivery Services (CDIC RFSA 2020-2842 – 2021 REFRESH) solicitation found on Buy and Sell and we are formally requesting to receive the applicable solicitation documentation.**
- A2. This opportunity is open to any and all interested suppliers and no invitation is required. All solicitation documents are available for download free of charge on Buy and Sell.
- Q3. We noticed the above RFSA posted – I assume that if vendors qualify for such streams etc. then we can submit submissions thus no need to be ‘invited to these’.**
- A3. Please see response to Q2., above.
- Q4. My team had a look into this posting, and it looks like the same MSA we were put on in 2020. Is CDIC just looking to add additional vendors to the existing contract? If that’s the case, is any action required on this?**

- A4. Please see response to Q1, above.
- Q5. We were awarded three service categories under Service Stream #1: IT Staff Augmentation Services. Please confirm that we do not need to submit a new proposal in order to remain a vendor until December 14, 2023, unless we wish to bid on additional service categories.**
- A5. Please see response to Q1, above.
