

ADDENDUM #1

CDIC RFSA 2020-2875 – 2021 REFRESH

Issued: December 13, 2021

- 1. Title** Business Continuity Management Services and Corporate Security Services
-
- 2. Questions and Answers** Unless otherwise specified, capitalized words and terms have the meaning set out in the RFSA.
- This question and answer section is provided in response to questions received from Suppliers for the above-noted RFSA, and does not amend the terms and conditions of the RFSA.
- Q1. As we are already a vendor of record for the initial contract, is there a requirement to requalify with this new refresh?**
- A1. Existing Supply Arrangement Holders are not required to respond to this RFSA 2021 Refresh, unless such Supply Arrangement Holders are seeking to be selected to provide services in Service Streams for **which they were not previously qualified under the Initial RSFA.**
- Q2. We noticed the above RFSA posted – I assume that if vendors qualify for such streams etc. then we can submit submissions thus no need to be ‘invited to these’.**
- A2. This opportunity is open to any and all interested suppliers and no invitation is required. All solicitation documents are available for download free of charge at buyandsell.gc.ca.
