Solicitation Amendment # 8

This amendment is hereby raised to affect the following:

- 1. To announce a second site visit and to request information**
- 2. To provide REV 1 of the SOW**

1. To announce a second optional site visit and to request information

Arrangements have been made for a second vessel site visit to be held in Botwood, NL (93 km from Gander NL) from January 18 to 21, 2022. The site visit will be available at 8am, local time, each day.

This site visit is subject to the COVID-19 Vaccination Policy for Supplier Personnel. The person(s) who attend must be fully vaccinated against COVID-19, or, for personnel that are unable to be vaccinated due to a certified medical contraindication, religion or other prohibited grounds of discrimination under the *Canadian Human Rights Act*, must provide proof of a negative COVID-19 test result taken within 48 hours of entry on site (visitor is responsible for off-site testing administered by a qualified health professional).

Bidders must communicate with the Contracting Authority no later than January 6th, 2022, at 3 pm EST to confirm attendance and provide the name(s) of the person(s) who will attend. Bidders must also complete and submit the certification included on the last page of this amendment.

These requirements are subject to change, depending on future COVID-19 developments.

Bidders who do not confirm attendance, provide the name(s) of the person(s) who will attend, or who do not complete and submit the above certification as required will not be allowed access to the site. Bidders will be requested to sign an attendance sheet. No alternative appointment will be given to bidders who do not attend or do not send a representative. Bidders who do not participate in the visit will not be precluded from submitting a bid. Any clarifications or changes to the bid solicitation resulting from the site visit will be included as an amendment to the bid solicitation.

For those interested in attending, it would be helpful to provide the following information by email (madeleine.pandini@tpsgc-pwgsc.gc.ca), at their earliest convenience, to facilitate planning (CCG will make all efforts to accommodate, when possible):

1. Indicate areas of interest to visit.
2. Indicate if access to the main or emergency switchboards is required.
Note that switchboard busbar access requires a blackout; this may not be possible. Additional electrical drawings will soon be provided in the technical data package, which should eliminate the need for such access.
3. Indicate specific mechanical or electrical equipment or consoles to access (that may require to be deenergized).
4. Indicate areas requiring deck plate removal

Additional details regarding the Site Visit will be provided in a future amendment.
