PART 1 - GENERAL INFORMATION

1. Introduction

The *Farm Debt Mediation Act* (FDMA) received Royal Assent on April 25, 1997 and came into force on April 1, 1998. The Farm Debt Mediation Service (FDMS) was established to deliver the FDMA. The service provides a streamlined process of mediation to assist insolvent farmers and their creditors to negotiate settlement arrangements, rather than have those disputes result in costly legal proceedings for all parties. Offerors work with farmers to support them during the mediation process. Offerors will visit the farm to get an understanding of how the operation works, will collect financial information in order to prepare a financial statement, explore options and if required, will help the farmer develop a recovery plan. The Offerors will also be present at the mediation session to provide assistance to the farmer, as may be required. A Mediator is assigned to assist the farmer and creditors explore options for the successful resolution of the case.

To apply for assistance under the FDMA, an individual, corporation, partnership, cooperative or other association of persons must be "engaged in farming for commercial purposes", meaning that the production from their crops, livestock, or other eligible commodities is commercially available for sale as opposed to being grown for the personal use of the farmer or for a person related to the farmer as defined in the regulations. The applicant must also be "insolvent", which is defined in s. 6 of the FDMA as follows:

Only farmers:

- who are for any reason unable to meet their obligations as they generally become due;
- who have ceased paying their current obligations in the ordinary course of business as they generally become due; or
- the aggregate of whose property is not, at a fair valuation, sufficient, or if disposed of at a fairly conducted sale under legal process would not be sufficient, to enable payment of all their obligations, due and accruing due.

Under the FDMA, farmers can apply for review and mediation only or for a Stay of Proceedings, review and mediation. There are several factors to consider in deciding how to apply.

Secured creditors are obliged by the Act to serve the farmer with a *Notice of Intent to Realize on Security* before undertaking any action to recover debts. In this case, the farmer would usually choose the FDMS application which includes a Stay of Proceedings to prevent further action by the creditor during mediation. The farmer would also apply for a Stay when being sued for a debt by an unsecured creditor. Though unsecured creditors are not required to provide a Notice of Intent, the Stay still protects the farmer's assets during mediation. If a Notice of Intent has not been served and legal action has not been taken, the farmer may prefer to apply for review and mediation only, without applying for a Stay.

Once the administrator confirms eligibility, an Offeror is assigned to perform a detailed review of the farm's financial affairs. The Offeror, referred to as an 'expert' in the Act, will be required to complete a Farm Financial Statement. This will require a review of the farmer's business records, tax returns, etc. as well as account balances from creditors and information on prices from real estate agents, auctions and machinery dealerships.

Following that, the Offeror may help the farmer prepare a recovery plan that outlines what the farmer proposes to do to recover from financial difficulty. The Offeror then assists the farmer to make projections to assess the plan's feasibility. The recovery plan may be prepared by someone requested by the farmer.

The Offeror responsible for the recovery plan will attend the mediation meeting and assist the farmer as required at that meeting.

An assessment will be conducted by the FDMS office after completion of the mediation services. The assessment will evaluate the participants' satisfaction with the FDMS office, and the financial experts services and help to determine possible program changes or enhancements that may be initiated.

2. Summary

2.1 One method of supply used by Agriculture and Agri-Food Canada (AAFC) to satisfy the requirements of our programs is to invite suppliers (by way of a Request for Standing Offer (RFSO)) to submit an offer for the provision of services during a

specified period. With the completed RFSO process, AAFC is authorized to make call-ups against the resulting SO's detailing the exact level of services they wish to order at a particular time during the effective period of the SO, in accordance with the predetermined conditions.

A RFSO does not commit AAFC to authorize the utilization of an SO or to obtain services or issue a subsequent Contract to this effect.

A standing offer is not a contract and that the issuance of an SO and Call-up Authority does not oblige or commit Canada to procure or contract for any services listed in the SO. The Offeror understands and agrees that Canada has the right to procure the services specified in the SO by means of any other contract, SO or contracting method.

2.2 The purpose of this Request for Standing Offers (RFSO) is to select Offerors to enter into negotiations with AAFC to issue Departmental Individual Standing Offers (SO) to obtain the services described in the Statement of Work for Alberta.

The total budget for the SOs will be approximately \$499,200.00, based on a maximum of three (3) standing offers being issued.

Services are required for a period of four (4) years, starting at date of issuance of standing offers.

3. Debriefings

After issuance of an SO, Offerors may request a debriefing on the results of the RFSO process. Offerors should make the request to the SO Authority within 15 working days of receipt of the results of the RFSO process. The debriefing may be in writing or by telephone.

4. Office of the Procurement Ombudsman

If you have issues or concerns regarding the solicitation, you have the option of raising them with the department or with the Office of the Procurement Ombudsman (OPO). The Office of the Procurement Ombudsman was established by the Government of Canada to provide an independent avenue for suppliers to raise complaints regarding the award of contracts under \$26,400 for goods and under \$105,700 for services. You have the option of raising issues or concerns regarding the solicitation, or the award resulting from it, with the OPO by contacting them by telephone at 1-866-734-5169 or by e-mail at boa.opo@boa.opo.gc.ca. You can also obtain more information on the OPO services available to you at their website at www.opo-boa.gc.ca.

5. Interpretation

In the Request for Standing Offer, unless the context otherwise requires:

“Call-up” means an order issued by an Identified User duly authorized to issue a call-up against a particular SO. Issuance of a call-up to the Offeror constitutes acceptance of its offer and results in the creation of a Contract between Her Majesty the Queen in right of Canada and the Offeror for the services described in the call-up.

“Canada”, “Crown”, “Her Majesty” or “the Government” means Her Majesty the Queen in right of Canada as represented by the Minister of Agriculture and Agri-Food Canada and any other person duly authorized to act on behalf of that Minister.

“Identified User” means a person or entity identified in the SO and authorized by the SO Authority to make call-ups against the SO.

“Offeror” means the person or entity whose name appears on the signature page of the SO and who offers to provide goods, services or both to Canada under the SO.

“Standing Offer” means the written offer from the Offeror, the clauses and conditions set out in full text, the general conditions, annexes and any other document specified or referred to as forming part of the SO.

PART 2 - OFFEROR INSTRUCTIONS

1. Instructions, Clauses and General Conditions

This part contains general information on AAFC's requirements and general instructions for the preparation and submission of an offer.

Instructions, clauses and conditions identified in the RFSO and the call-up(s) by number, date and title are part of the RFSO, the SO and any resulting Contract as though they were expressly set.

2. Submission of Offers

- 2.1. Canada requires that each offer, at closing date and time or upon request from the SO Authority, be signed by the Offeror or by an authorized representative of the Offeror. If an offer is submitted by a joint venture, it must be in accordance with, PART 3, section 2 of the RFSO.
- 2.2. It is the Offeror's responsibility to:
 - 2.2.1 obtain clarification of the requirements contained in the RFSO, if necessary, before submitting an offer;
 - 2.2.2. prepare its offer in accordance with the instructions contained in the RFSO;
 - 2.2.3. submit a complete offer by closing date and time;
 - 2.2.4. send its offer only to the address specified on page 1 the RFSO;
 - 2.2.5. ensure that the Offeror's name, return address, the RFSO number, and the RFSO closing date and time are clearly visible on the envelope or the parcel(s) containing the offer; and
 - 2.2.6. provide a comprehensible and sufficiently detailed offer, that will permit a complete evaluation in accordance with the criteria set out in the RFSO.
- 2.3. Offers will remain open for acceptance for a period of not less than sixty (60) days from the closing date of the RFSO, unless specified otherwise in the RFSO. Canada reserves the right to seek an extension of the offer validity period from all responsive Offerors in writing, within a minimum of three (3) days before the end of the offer validity period. If the extension of the validity period is accepted by all responsive Offerors, Canada will continue with the evaluation of the offers. If the extension is not accepted by all responsive Offerors, Canada will, at its sole discretion, either continue with the evaluation of the offers of those who have accepted the extension or cancel the RFSO.
- 2.4. Offers and supporting information may be submitted in either English or French.
- 2.5. Offers received on or before the stipulated RFSO closing date and time will become the property of Canada and will not be returned. All offers will be treated as confidential, subject to the provisions of the *Access to Information Act* (R.S.C. 1985, c. A-1) and the *Privacy Act* (R.S.C. 1985, c. P-21).
- 2.6. Unless specified otherwise in the RFSO, Canada will evaluate only the documentation provided with an Offeror's offer. Canada will not evaluate information such as references to web site addresses where additional information can be found, or technical manuals or brochures not submitted with the offer.
- 2.7. An offer cannot be assigned or transferred in whole or in part.

3. Late Offers

- 3.1 AAFC will return offers delivered after the stipulated RFSO closing date and time to the Offeror.

4. Electronic Transmission or Facsimile

- 4.1. Due to the nature of this RFP electronic transmission of proposals by electronic mail to the Department of Agriculture and Agri-Food will be accepted.

5. Legal Capacity

- 5.1 The Offeror must have the legal capacity to enter into a contract. If the Offeror is a sole proprietorship, a partnership or a corporate body, the Offeror must provide, if requested by the SO Authority, a statement and any requested supporting documentation indicating the laws under which it is registered or incorporated together with the registered or corporate name and place of business. This also applies to Offerors submitting an offer as a joint venture.

6. Rights of Canada

6.1. Canada reserves the right to:

- a. Accept any Offer in whole or in part, without prior negotiation;
- b. Reject any or all Offers received in response to this RFP;
- c. Cancel and/or re-issue this RFSO at any time;
- d. Ask the Bidder to substantiate any claim made in the Proposal;
- e. Enter into negotiations with one or more Offerors on any or all aspects of their offer;
- f. Award one or more Standing Offers;
- g. Retain all Offers submitted in response to this RFSO.

7. Rejection of Offer

7.1. Canada may reject an offer where any of the following circumstances is present:

- a. the Offeror is bankrupt or where, for whatever reason, its activities are rendered inoperable for an extended period;
- b. evidence, satisfactory to Canada, of fraud, bribery, fraudulent misrepresentation or failure to comply with any law protecting individuals against any manner of discrimination, has been received with respect to the Offeror, any of its employees or any subcontractor included as part of the offer;
- c. evidence satisfactory to Canada that based on past conduct or behaviour, the Offeror, a subcontractor or a person who is to perform the Work is unsuitable or has conducted himself improperly;
- d. with respect to current or prior transactions with the Government of Canada:
 - i. Canada has exercised its contractual remedies of suspension or termination for default with respect to a contract with the Offeror, any of its employees or any subcontractor included as part of the offer;
 - ii. Canada determines that the Offeror's performance on other contracts, including the efficiency and workmanship as well as the extent to which the Offeror performed the Work in accordance with contractual clauses and conditions, is sufficiently poor to jeopardize the successful completion of the requirement being bid on.

7.2. Where Canada intends to reject an offer pursuant to a provision of section 7.1(d), the SO Authority will so inform the Offeror and provide the Offeror ten (10) days within which to make representations, before making a final decision on the offer rejection.

7.3. Canada reserves the right to apply additional scrutiny, in particular, when multiple offers are received in response to a RFSO from a single Offeror or a joint venture. Canada reserves the right to:

- a. reject any or all of the offers submitted by a single Offeror or joint venture if their inclusion in the evaluation has the effect of prejudicing the integrity and fairness of the process, or;
- b. reject any or all of the offers submitted by a single Offeror or joint venture if their inclusion in the procurement process would distort the solicitation evaluation, and would cause a result that would not reasonably have been expected under prevailing market conditions and/or would not provide good value to Canada.

8.0 Communications - Solicitation Period

8.1 All enquiries and other communications with government officials throughout the solicitation period are to be directed ONLY to the SO Authority named below. Noncompliance with this condition during the proposal solicitation period may (for that reason alone) result in disqualification of an Offer.

Andre Gravelle
andre.gravelle@agr.gc.ca

8.2 To ensure consistency and quality of information provided to Offerors, significant inquiries received and the responses to those requests will be provided on buyandsell.gc.ca without the name of the author of the inquiries mentioned.

8.3 Amendment of RFSO:

- 12.3.1. To ensure consistency and quality of information provided to Offerors, any amendment to the RFSO will be posted on buyandsell.gc.ca.

12.3.2. It is the Offeror's responsibility to obtain the original documents and any subsequent documents from Buy and Sell.

9.0 Enquiries

9.1 All enquiries must be submitted in writing to the SO Authority no later than five (5) calendar days before the Request for Standing Offers (RFSO) closing date. Enquiries received after that time may not be answered. Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by Offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer.

10. Offer Costs

No payment will be made for costs incurred in the preparation and submission of an offer in response to the RFSO. Costs associated with preparing and submitting an offer, as well as any costs incurred by the Offeror associated with the evaluation of the offer, are the sole responsibility of the Offeror.

11. Conduct of Evaluation

- 11.1 In conducting its evaluation of the offers, Canada may, but will have no obligation to, do the following:
- a. seek clarification or verification from Offerors regarding any or all information provided by them with respect to the RFSO;
 - b. contact any or all references supplied by Offerors to verify and validate any information submitted by them;
 - c. request, before issuance of any SO, specific information with respect to Offerors' legal status;
 - d. conduct a survey of Offerors' facilities and/or examine their technical, managerial, and financial capabilities to determine if they are adequate to meet the requirements of the RFSO;
 - e. verify any information provided by Offerors through independent research, use of any government resources or by contacting third parties; and
 - f. interview, at the sole costs of Offerors, any Offeror and/or any or all of the resources proposed by Offerors to fulfill the requirement of the RFSO.
- 11.2 Offerors will have the number of days specified in the request by the SO Authority to comply with any request related to any of the above items. Failure to comply with the request may result in the offer being declared non-responsive.

12. Conflict of Interest - Unfair Advantage

- 12.1 In order to protect the integrity of the procurement process, Offerors are advised that Canada may reject an offer in the following circumstances:
- a. if the Offeror, any of its subcontractors, any of their respective employees or former employees was involved in any manner in the preparation of the RFSO or in any situation of conflict of interest or appearance of conflict of interest;
 - b. if the Offeror, any of its subcontractors, any of their respective employees or former employees had access to information related to the RFSO that was not available to other Offerors and that would, in Canada's opinion, give or appear to give the Offeror an unfair advantage.
- 12.2 The experience acquired by an Offeror who is providing or has provided the goods and services described in the RFSO (or similar goods or services) will not, in itself, be considered by Canada as conferring an unfair advantage or creating a conflict of interest. This Offeror remains however subject to the criteria established above.
- 12.3. Where Canada intends to reject an offer under this section, the SO Authority will inform the Offeror and provide the Offeror an opportunity to make representations before making a final decision. Offerors who are in doubt about a particular situation should contact the SO Authority before the RFSO closing date. By submitting an offer, the Offeror represents that it does not consider itself to be in conflict of interest nor to have an unfair advantage. The Offeror acknowledges that it is within Canada's sole discretion to determine whether a conflict of interest, unfair advantage or an appearance of conflict of interest or unfair advantage exists.

13. Entire Requirement

13.1 The RFSO contains all the requirements relating to this request for offers. Any information or documentation provided to or obtained by an Offeror from any other source is not relevant. Offerors should not assume that practices used under previous

contracts will continue, unless they are described in this RFSO. Offerors should also not assume that their existing capabilities meet the requirements of this RFSO simply because they have met the requirements of previous RFSOs.

14. Applicable Laws

14.1 The SO and any Contract resulting from the RFSO must be interpreted and governed, and the relations between the parties determined, by the laws in force in Ontario.

In their bid submission, bidders may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their proposal, by deleting the Canadian province specified in the previous paragraph and inserting the Canadian province or territory of their choice. If no change is made, the bidder acknowledges the applicable law specified is acceptable to the Bidder.

PART 3 - OFFER PREPARATION INSTRUCTIONS

1. Offer Preparation Instructions

The offer must be completed and signed by the Offeror or an authorized officer of the Offeror. The signature of the Offeror indicates acceptance of the conditions for an eventual SO as stipulated in the RFSO.

2. Joint Venture

- 2.1 A joint venture is an association of two or more parties who combine their money, property, knowledge, expertise or other resources in a single joint business enterprise, sometimes referred to as a consortium, to submit an offer together on a requirement. Offerors who submit an offer as a joint venture must indicate clearly that it is a joint venture and provide the following information:
- a. the name of each member of the joint venture;
 - b. the Procurement Business Number of each member of the joint venture;
 - c. the name of the representative of the joint venture, i.e. the member chosen by the other members to act on their behalf, if applicable;
 - d. the name of the joint venture, if applicable.
- 2.2 If the information is not clearly provided in the offer, the Offeror must provide the information on request from the SO Authority.
- 2.3 The offer and any resulting SO must be signed by all the members of the joint venture unless one member has been appointed to act on behalf of all members of the joint venture. The SO Authority may, at any time, require each member of the joint venture to confirm that the representative has been appointed with full authority to act as its representative for the purposes of the RFSO and any resulting SO. If an SO is issued to a joint venture, all members of the joint venture will be jointly and severally or solidarily liable for the performance of any Contract resulting from a call-up against the SO.

3. Offer Preparation Instructions

Canada requests that Offerors provide their offer in separately bound sections as follows:

Section I: Technical Offer, 1 electronic copy

Section II: Certification, 1 electronic copy

Canada requests that Offerors follow the format instructions described below in the preparation of their offer:

- a. use 8.5 x 11 inch (216 mm x 279 mm) paper;
- b. use a numbering system that corresponds to that of the RFSO.

In April 2006, Canada issued a policy directing federal departments and agencies to take the necessary steps to incorporate environmental considerations into the procurement process (Policy on Green Procurement: <http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html>). To assist Canada in reaching its objectives, Offerors are encouraged to:

1. use paper containing fibre certified as originating from a sustainably-managed forest and/or containing a minimum of 30% recycled content; and
2. use an environmentally-preferable format including black and white printing instead of colour printing, printing double sided/duplex, using staples or clips instead of Cerlox, duo tangs or binders.

4. Section I: Technical Offer

4.1 The technical proposal should identify the following information:

- a. Type of legal entity;
- b. the name of the official and if different, contact name of the company;

- c. the address, telephone, fax number, e-mail address of the company; and
- d. the reference number of this RFSO: 01B68-21-0088

4.2 In the Technical Proposal, the Offeror should:

- a. explain and demonstrate how they propose to meet the requirements of technical evaluation (Annex "C");
- b. attach curriculum vitae not exceeding 4 pages for each resource proposed

5. Section II: Certification Precedent to Issuance of a Standing Offer

5.1 In order to be awarded a standing offer, the certifications attached in Annex "F" will be required. The certifications should be submitted with the offer. Canada may declare an offer non-responsive if the certifications are not submitted or completed as required. Where Canada intends to reject a proposal pursuant to this paragraph, the SO Authority will so inform the Offeror and provide the Offeror with a time frame within which to meet the requirement. Failure to comply with the request of the SO Authority and meet the requirement within that time frame period will render the offer non-responsive.

5.2 The certifications the Offeror provides to Canada are subject to verification by Canada both during the offer evaluation period (before issuance of an SO) and after issuance of an SO. The SO Authority has the right to ask for additional information to verify Offerors' certifications before issuance of an SO. The offer will be declared non-responsive if any certification claimed by the Offeror is untrue, whether knowingly or unknowingly. Failure to comply with the certifications, to provide the related documentation or to comply with the request of the Standing Offer Authority for additional information will also render the offer non-responsive.

6. Multiple Resources Proposed

If an Offeror is proposing multiple resources, each resource offering the services under the SO must comply with the requirements of the RFSO. For each resource proposed, the Offeror must submit a technical offer (section I), as well as the certifications (section II), in Annex F2.

PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION

1. Evaluation Procedures

- a. Offers will be assessed in accordance with the requirements of the RFSO, including the technical evaluation and certifications.
- b. An evaluation team composed of representatives of Canada will evaluate the offers.
- c. The objective of the technical evaluation is to award a maximum of 80 points for the technical components.
- d. The technical component of the proposal will be deemed compliant if it achieves a score equal to or in excess of the pass mark of 70% overall on the rated criteria, and will be ranked accordingly.

The pass mark represents only what is minimally acceptable to AAFC and does not guarantee the issuance of an SO. AAFC reserves the right to verify all information included by an Offeror in its proposal. In all cases, AAFC reserves the right to cancel this RFSO and request new proposals.

2. Method of Selection

For purposes of evaluation, the technical component is awarded a maximum of 80 points. Each proposed resource will be assessed individually against the evaluation grid, included as Annex "C". Where an Offeror has identified more than one resource in their Offer, the average score of all proposed resources will be used in ranking of the Offerors.

AAFC's policy is to recommend the selection of the Offeror with the highest technical score, up to the required number of SO's, as described in section 2 of PART 1 of this RFSO.

PART 5 – SECURITY REQUIREMENTS

Successful personnel clearance by AAFC's Security Services is a mandatory condition before AAFC SO authority can award an SO. As indicated in Part 6B, article 8, all resources proposed to provide services under the resulting standing offer must hold a valid security clearance at the level of Reliability.

Offerors are not obligated to complete "Personnel Screening Consent and Authorization Form" (tbs/sct 330-23e) available at <http://www.tbs-sct.gc.ca/tbsf-fsct/330-23-eng.asp> at this point in the tender process. However, once the technical evaluation teams have evaluated the received proposals and have selected the winning offers, this requirement will become mandatory. Failure to comply with security requirements within the timeframe determined by the SO authority will also render the offer non-responsive.

Offerors have the option to complete the form at their sole discretion at this point. Should an Offeror decide to complete the required information and is selected by the technical evaluation team, *the initiative will only accelerate the due diligence process by 2 or 3 weeks*. Regardless of the option chosen by the Offeror, their decision has no bearing or influence on the technical team's evaluation.

PART 6 - STANDING OFFER AND RESULTING CONTRACT CLAUSES

A. STANDING OFFER

1. Offer

1.1 The Offeror offers to provide and deliver to Canada the services described in the SO, in accordance with the pricing set out in the SO as and when the Identified User may request such services, in accordance with the conditions listed herein.

1.2 The Offeror understands and agrees that:

- a) a call-up against the SO will form a contract only for those services which have been called-up, provided that such call-up is made in accordance with the provisions of the SO.
- b) Canada's liability is limited to that which arises from call-ups against the SO made within the period specified in the SO.
- c) The SO cannot be assigned or transferred in whole or in part.
- d) The SO may be set aside by Canada at any time.

2. Clauses and General Conditions

The General Conditions of the SOs "Annex D" as well as all clauses identified in the SO and in the call-up, apply to and form part of the SO agreement.

3. Period of the Standing Offer

3.1. The period for making call-ups against the SO is from the date of signature of the SO agreement for a period of **four (4)** years.

3.2. Amendment of Standing Offer

The period of the Standing Offer may only be extended, or its usage increased, by the Standing Offer Authority issuing an amendment to the Standing Offer in writing.

4. Authorities and Identified Users

4.1. Standing Offer Authority

The SO Authority is responsible for the establishment of the SO, its administration and its revision, if applicable. Upon the making of a call-up, as Contracting Authority, the SO authority is responsible for any contractual issues relating to individual call-ups made against the SO by any Identified User.

4.2. Identified Users

The regional managers of Agriculture and Agri-Food Canada, and/or their delegated representatives are the identified users authorized by the Minister to make call-ups against the SO on behalf of AAFC / FDMS.

4.3 Offeror Representative

The Offeror Representative for the Standing Offer and resulting call ups is:

The contact information for the Offeror Representative will be provided at time of contract award.

4.3.1 The duties and responsibilities of the Offeror Representative shall include the following:

1. Responsible for the overall management of the standing offer and call ups;
2. Ensure that the standing offer and call ups is administered in accordance with the terms and conditions of the standing offer;
3. Act as a single point of contact to resolve any contractual disputes that may arise. The Offeror Representative must have direct access to the level of management within the Offeror's organization vested with the decision-making authority for contractual matters;
4. Shall be established as the only recognized individual from the Offeror's organization to speak on behalf of the Offeror for purposes of standing offer and call up management;
5. Monitor all resources that are providing services/deliverables in accordance with the call up;
6. Liaise with the Identified Users on all matters concerning technical aspects of the Work and performance of its resources; and
7. Manage the transition of any potential resource(s) turnover during the period of the Work.

5. Call-up Instrument

The Work will be authorized or confirmed by the Identified User(s) using AAFC's form- "Departmental Individual Standing Offer- Call- up".

6. Limitation of Call-ups

Individual call-ups against the SO must not exceed \$10,000.00 (Goods and Services Tax or Harmonized Sales Tax included).

The Offeror must not perform any work or services in response to call ups which would cause the total cost to Canada to exceed the said sum, unless an increase is authorized by the SO Authority.

7. Financial Limitation

The Offeror must not perform any work or services in response to call-ups that would cause the total cost to Canada to exceed the said sum on page 2 of the standing offer, unless an increase is so authorized.

8. Call-up Procedures

The acceptable offers will be ranked in descending order by score in the technical evaluation of the RFSO.

Each call-up will be issued on a rotational basis, with the first call-up issued to the first-ranked SO holder, the second call-up issued to the second-ranked SO holder, and so on.

The following list represents scenarios in which the rotation process may not be followed.

- a) Where the cost of traveling will justify it, a call-up could be issued to an Offeror with a resource who is located in closer proximity to where the services will be rendered.
- b) In the event the applicant's choice to receive the services in one of two official languages prevents the next Offeror on the list from providing the services, the Regional Manager will award the mandate to the next Offeror on the list who can meet the linguistic requirements.
- c) To avoid any perceived or potential conflict of interest, if the Offerors resource is already engaged to provide Mediation Services on particular case, if the Offeror has multiple resources qualified to render service, they will be asked to provide a different resource. If the Offeror does not have additional qualified resources available, the regional manager may award the call up to the next Offeror on the list.

In any of the above scenarios, where the next Offeror on the list is not selected, there will be no penalty to the Offeror. The Offeror who was skipped will be allocated the next available call up.

If an Offeror refuses work under a call-up, he maintains his ranking and must wait his turn to come back before being offered work under a subsequent call-up. If an Offeror does not provide confirmation of his availability in writing for the work within 24 hours of being offered, the Regional Manager will consider the non-response as an unavailability/refusal.

If for reasons beyond its control, the Offeror is unable to provide the services he must advise the Regional Manager of the reason. For the purposes of this clause, only the following reasons will be considered as beyond the control of the Offeror: death, sickness, maternity and parental leave.

Following three (3) refusals of mandate for other reasons than the ones listed in this clause, Canada may set aside the standing offer.

9. Priority of Documents

If there is a discrepancy between the wordings of any documents that appear on the list, the wording of the document that first appears on the list has priority over the wording of any document that subsequently appears on the list.

1. the call-up against the SO, including any annexes;
2. the articles of the SO;

ANNEX "B"
BASIS OF PAYMENT

FDMS – FINANCIAL EXPERTS

Payment will be based on a firm all inclusive per diem rate of \$700.00 for each day worked up to a firm all-inclusive price of \$4,200.00 for an FDMS case which includes the preparation of a Farm Financial Assessment and Recovery Plan, participation at the mediation meeting, travel time and travel expenses within a round trip up to 200 km from the selected Financial Expert's place of business.

(a) Lump sum per diem price

- Completion of the mandate as per the Statement of Work in a round trip up to 200 km
- If there must be a second meeting for the same case, the time of the financial expert will be paid on the basis of the hourly rate of \$93.33, to a maximum of \$700.00 per day.

(b) Lump sum cases for a round trip above 200 km

When a case will be delivered in a round trip exceeding 200 km, AAFC will pay a unit price in addition to the per diem price to cover the travel expenses incurred.

A unit price is defined as follows and includes the following inputs without limiting its scope:

- For each portion of 90 km beyond the 200 km round trip, one (1) unit rate is acknowledged per hour of travel.
- One unit rate (\$125.00) comprises (without limiting its scope):
 - 1 hour of professional time
 - 90 km of physical distance (MapQuest, Mapblast or equivalent will be used)
 - Usage of personal vehicle
 - Meals and incidentals
 - Gas
 - Operation and maintenance of personal vehicle
 - Insurance
 - Any other cost.

Thus, a Financial Expert has full responsibility of his time management under this travel situation.

Example: A case where the services are to be rendered at 190 KM from the Financial Expert's place of business (380 KM round trip):

$$(380 \text{ km} - 200 \text{ km}) \div 90 \text{ km} = 2 \text{ units}$$
$$\$4,200.00 + (2 \text{ units} \times \$125.00) = \$4,450.00 \text{ for the case.}$$

Mileage between each 90 km will be prorated.

Example: A case where the services are to be rendered at 210 km from the Financial Expert's place of business (420 round trip):

$$(420 \text{ km} - 200 \text{ km}) \div 90 \text{ km} = 2.44 \text{ units}$$
$$\$4,200.00 + (2.44 \text{ units} \times \$125.00) = \$4,505.00$$

(c) In complex cases, the AAFC Regional Manager may authorize additional time, beyond the per case time allocation, to reach an agreement. The basis of payment for such a situation will be as follows:

- Hourly rates for professional services: when additional hours of work are required on a complex case (a) or (b): \$93.33/hr.

(d) In some instances other modes of travel, accommodation and additional meals may be required and must be approved and included in the call-up by the Regional Manager and accepted by the Financial Expert.

For special situations where planes, trains, boats and overnight stays are required, the National Joint Council Travel Directive will apply:

<http://www.njc-cnm.gc.ca/directive/index.php?did=10&dlabel=travel-voyage&lang=eng&merge=2&slabel=index>

- Professional time will be paid based upon the hourly rates (c).

- \$1,000.00 per call-up, all expenses included.

For the life of the SO, the total of such call-ups shall not exceed 10% of the total SO amount.

(g) Orientation meetings and training

The Financial Expert will be required to attend all orientation meetings and training sessions deemed MANDATORY by the Regional Manager and will be paid only for the hours of attendance at the hourly rate (a). The travels of more than 200 km (round trip) will be paid at the unit rate (b).

GC5. Inspection and Acceptance

- 5.1 The Work will be subject to inspection by Canada. Should any part of the Work whether it be a report, document, good or service not be in accordance with the Contract or not be done to the satisfaction of the Canada, as submitted, Canada will have the right to reject it or require its correction at the sole expense of the Contractor before making payment.
- 5.2 The Contractor will be in default of the Contract if the Work is rejected by Canada or if he fails to correct the Work within a reasonable delay.

GC6. Amendments and Waivers

- 6.1 No design change, modification to the Work, or amendment to the Contract shall be binding unless it is incorporated into the Contract by written amendment or design change memorandum executed by the authorized representatives of Canada and of the Contractor.
- 6.2 While the Contractor may discuss any proposed changes or modifications to the scope of the Work with the representatives of Canada, Canada shall not be liable for the cost of any such change or modification until it has been incorporated into the Contract in accordance with subsection 6.1.
- 6.3 No waiver shall be valid, binding or affect the rights of the Parties unless it is made in writing by, in the case of a waiver by Canada, the Contracting Authority and, in the case of a waiver by the Contractor, the authorized representative of the Contractor.
- 6.4 The waiver by a Party of a breach of any term or condition of the Contract shall not prevent the enforcement of that term or condition by that Party in the case of a subsequent breach, and shall not be deemed or construed to be a waiver of any subsequent breach.

GC7. Time of the Essence

It is essential that the Work be performed within or at the time stated in the Contract.

GC8. Excusable delay

- 8.1 Any delay by the Contractor in performing the Contractor's obligations under the Contract which occurs without any fault or neglect on the part of the Contractor its subcontractors, agents or employees or is caused by an event beyond the control of the Contractor, and which could not have been avoided by the Contractor without incurring unreasonable cost through the use of work-around plans including alternative sources or other means,

- a) exécuter les travaux de manière diligente et efficace;
- b) au minimum, appliquer les tests d'assurance de la qualité, les inspections et les contrôles compatibles avec ceux qui sont généralement utilisés dans l'industrie et dont l'objet est de donner l'assurance raisonnable du degré de qualité exigé en vertu du marché d'acquisition;
- c) veiller à ce que les travaux :
 - (1) soient de bonne qualité et soient exécutés avec des matériaux et une main d'œuvre de qualité;
 - (2) soient en tous points conformes à l'énoncé de travail;
 - (3) répondent à toutes les autres exigences du marché d'acquisition.

4.4 Nonobstant l'acceptation des travaux ou d'une partie des travaux, l'entrepreneur garantit que la qualité des travaux démontrera clairement qu'il les a exécutés conformément à l'engagement prévu au paragraphe 4.3.

CG5. Inspection et acceptation

- 5.1 Les travaux seront soumis à l'inspection du Canada. Le Canada a le droit de rejeter toute partie des travaux, qu'il s'agisse d'un rapport, d'un document, d'un bien ou d'un service qui, tel qu'il est soumis, n'est pas conforme aux exigences du marché d'acquisition ou n'est pas à la satisfaction du Canada, ou d'en exiger la modification aux frais de l'entrepreneur, avant d'effectuer un paiement.
- 5.2 L'entrepreneur est en défaut d'exécution du marché d'acquisition si les travaux sont rejetés par le Canada ou s'il ne les modifie pas dans un délai raisonnable.

CG6. Modifications et renoncations

- 6.1 Les modifications apportées à la conception, aux travaux ou au marché d'acquisition ne lient les parties que si elles sont intégrées au marché d'acquisition au moyen d'un document écrit à cet effet ou d'une modification technique portant la signature des représentants autorisés du Canada et de l'entrepreneur.
- 6.2 Bien que l'entrepreneur puisse discuter avec les représentants du Canada de modifications éventuelles à l'étendue des travaux, le Canada n'assume le coût de ces modifications que lorsqu'elles sont intégrées au marché d'acquisition conformément au paragraphe 6.1.
- 6.3 Une renonciation n'est valable, ne lie les parties et ne modifie leurs droits que si elle est faite par écrit par l'autorité contractante, dans le cas d'une renonciation du Canada, et par le représentant autorisé de l'entrepreneur, dans le cas d'une renonciation de l'entrepreneur.
- 6.4 La renonciation par une partie à exercer un recours pour inexécution de toute condition du marché d'acquisition n'empêche pas cette partie d'exiger l'exécution de cette condition lors d'une inexécution subséquente, et n'est pas réputée être une renonciation à exercer en recours pour une inexécution subséquente, ni interprétée comme telle.

CG7. Délais de rigueur

Il est essentiel que les travaux soient exécutés dans le délai ou au moment fixé dans le marché d'acquisition.

CG8. Retard excusable

- 8.1 Tout retard de l'entrepreneur à s'acquitter de ses obligations en vertu du marché d'acquisition, qui survient en l'absence de toute faute ou négligence de la part de l'entrepreneur, de ses sous-traitants, de ses mandataires ou de ses employés, ou qui est causé par un événement indépendant de la volonté de l'entrepreneur, et que l'entrepreneur n'aurait pu empêcher sans assumer des frais exorbitants en recourant, par exemple,

constitutes an excusable delay.

- 8.2. The Contractor shall give notice to the Minister immediately after the occurrence of the event that causes the excusable delay. The notice shall state the cause and circumstances of the delay and indicate the portion of the Work affected by the delay. When requested to do so by the Minister, the Contractor shall deliver a description, in a form satisfactory to the Minister, of work-around plans including alternative sources and any other means that the Contractor will utilize to overcome the delay and endeavour to prevent any further delay. Upon approval in writing by the Minister of the work-around plans, the Contractor shall implement the work around plans and use all reasonable means to recover any time lost as a result of the excusable delay.
- 8.3 Unless the Contractor complies with the notice requirements set forth in the Contract, any delay that might have constituted an excusable delay shall be deemed not to be an excusable delay.
- 8.4 If an excusable delay has continued for thirty (30) days or more, Canada may, by giving notice in writing to the Contractor, terminate the Contract. In such a case, the Parties agree that neither will make any claim against the other for damages, costs, expected profits or any other loss arising out of the termination or the event that contributed to the excusable delay. The Contractor agrees to repay immediately to Canada the portion of any advance payment that is unliquidated at the date of the termination.
- 8.5 Unless Canada has caused the delay by failing to meet an obligation under the Contract, Canada will not be responsible for any cost incurred by the contractor or any subcontractors or agents as a result of an excusable delay.
- 8.6 If the Contract is terminated under this section, Canada may require the Contractor to deliver to Canada, in the manner and to the extent directed by Canada, any completed parts of the Work not delivered and accepted before the termination and anything that the Contractor has acquired or produced specifically to perform the Contract. Canada will pay the Contractor:
- (a) the value, of all completed parts of the Work delivered to and accepted by Canada, based on the Contract price, including the proportionate part of the Contractor's profit or fee included in the Contract price; and
 - (b) the cost to the Contractor that Canada considers reasonable in respect of anything else delivered to and accepted by Canada.
- 8.7 The total amount paid by Canada under the Contract to the date of termination and any amounts payable under this subsection must not exceed the Contract price.

GC9. Termination of convenience

- 9.1 Notwithstanding anything in the Contract, the Minister may, by giving notice to the Contractor, terminate or suspend the Contract immediately with respect to all or any part or parts of the Work not completed.
- 9.2 All Work completed by the Contractor to the satisfaction of Canada before the giving of such notice shall be paid for by Canada in accordance with the provisions of the Contract and, for all Work not completed before the giving of such notice, Canada shall pay the Contractor's costs as determined under the provisions of the Contract in an amount representing a fair and reasonable fee in respect of such Work.
- 9.3 In addition to the amount which the Contractor shall be paid under section GC9.2, the Contractor shall be reimbursed for the Contractor's cost of and

à des plans de redressement, incluant d'autres sources, ou à d'autres moyens, constitue un retard excusable.

- 8.2 L'entrepreneur doit informer le ministre dès que se produit un fait qui entraîne un retard excusable. Il doit préciser, dans son avis, la cause et les circonstances du retard et mentionner la partie du travail qui est touchée. À la demande du ministre, l'entrepreneur fournit une description, sous une forme jugée acceptable par le ministre, des plans de redressement, dans lesquels il mentionne d'autres sources et d'autres moyens qu'il pourrait utiliser pour rattraper le retard et s'efforcer d'en prévenir d'autres. Dès la réception de l'approbation écrite des plans de redressement par le ministre, l'entrepreneur doit mettre ces plans de redressement à exécution et prendre tous les moyens raisonnables pour rattraper le retard excusable.
- 8.3 Si l'entrepreneur ne respecte pas les conditions du marché d'acquisition ayant trait à cet avis, tout retard qui pourrait être excusable n'est pas considéré comme tel.
- 8.4 Après trente (30) jours ou plus de retard excusable, le Canada peut, par avis écrit à l'entrepreneur, résilier le marché d'acquisition. En l'occurrence, les parties conviennent de renoncer à toute réclamation pour dommages, coûts, profits anticipés ou autres pertes découlant de la résiliation ou de l'événement qui a contribué au retard excusable. L'entrepreneur convient de rembourser immédiatement au Canada la portion de toute avance non liquidée à la date de la résiliation.
- 8.5 Sauf si le retard excusable est dû au manquement du Canada de s'acquitter d'une obligation en vertu du marché d'acquisition, le Canada n'est pas responsable des coûts additionnels encourus par l'entrepreneur ou l'un de ses sous-traitants ou mandataires par la suite d'un retard excusable.
- 8.6 Si le marché d'acquisition est résilié en vertu du présent article, le Canada peut exiger que l'entrepreneur lui livre, selon les modalités et dans la mesure prescrites par le Canada, toutes les parties achevées des travaux qui n'ont pas été livrées ni acceptées avant la résiliation, de même que tout ce que l'entrepreneur a acquis ou produit expressément pour l'exécution du marché d'acquisition. Le Canada paie alors à l'entrepreneur :
- a) la valeur, calculée en fonction du prix contractuel, y compris la quote-part du profit ou des honoraires de l'entrepreneur inclus dans le prix contractuel, de toutes les parties des travaux terminées qui sont livrées et acceptées par le Canada;
 - b) le coût de l'entrepreneur que le Canada juge raisonnable en ce qui concerne toute autre chose livrée au Canada et acceptée par le Canada.
- 8.7 Le montant total versé par le Canada en vertu du marché d'acquisition jusqu'à sa résiliation et tous les montants payables en vertu du présent paragraphe ne doivent pas dépasser le prix contractuel.

CG9. Résiliation pour raisons de commodité

- 9.1 Nonobstant toute autre disposition du marché d'acquisition, le ministre peut, en donnant un avis à l'entrepreneur, résilier ou suspendre le marché d'acquisition sans délai relativement à la totalité ou à toute partie des travaux non terminés.
- 9.2 Les travaux terminés par l'entrepreneur à la satisfaction du Canada avant l'envoi d'un tel avis sont payés par le Canada conformément aux dispositions du marché d'acquisition; pour les travaux non terminés au moment de la signification de cet avis, le Canada paie à l'entrepreneur les coûts, déterminés de la façon précisée dans le marché d'acquisition, au montant représentant une indemnité juste et raisonnable relativement à ces travaux.
- 9.3 En plus du montant qui lui est payé en vertu de l'article CG9.2, l'entrepreneur a droit au remboursement des frais liés à la résiliation,

incidental to the cancellation of obligations incurred by the Contractor pursuant to such notice and obligations incurred by or to which the Contractor is subject with respect to the Work.

9.4 The Contractor shall have no claim for damages, compensation, loss of profit, allowance or otherwise by reason of or directly or indirectly arising out of any action taken or notice given by Canada under the provisions of section GC9 except as expressly provided therein.

9.5 Upon termination of the Contract under section GC9.1, Canada may require the Contractor to deliver and transfer title to Canada, in the manner and to the extent directed by Canada, any finished Work which has not been delivered prior to such termination and any material, goods or Work-in-progress which the Contractor specifically acquired or produced for the fulfilment of the Contract.

GC10. Termination due to Default of Contractor

10.1 Canada may by notice to the Contractor, terminate the whole or any part of the Contract:

- a) if the Contractor fails to perform any of the Contractor's obligations under the Contract or in Canada's view, so fails to make progress so as to endanger performance of the Contract in accordance with its terms;
- b) to the extent permitted under law, if the Contractor becomes bankrupt or insolvent, or a receiving order is made against the Contractor, or an assignment is made for the benefit of creditors, or if an order is made or resolution passed for the winding up of the Contractor, or if the Contractor takes the benefit of a statute relating to bankrupt or insolvent debtors; or
- c) if the Contractor makes a false declaration under GC 37 or GC 38 or fails to comply with the terms set out in GC 16.3 or GC 39.

10.2 Upon termination of the Contract under section GC10, the Contractor shall deliver to Canada any finished Work which has not been delivered and accepted prior to such termination, together with materials and Work-in-progress relating specifically to the Contract and all materials, texts and other documents supplied to the Contractor in relation to the Contract.

10.3 Subject to the deduction of any claim which Canada may have against the Contractor arising under the Contract or out of termination, payment will be made by Canada to the Contractor for the value of all finished Work delivered and accepted by Canada, such value to be determined in accordance with the rate(s) specified in the Contract, or, where no rate is specified, on a proportional basis.

10.4 If the contract is terminated pursuant to GC 10.1 (c), in addition to any other remedies that may be available against the Contractor, the Contractor will immediately return any advance payments.

GC11. Suspension of Work

11.1 The Minister may at any time, by written notice, order the Contractor to suspend or stop the Work or part of the Work under the Contract. The Contractor must immediately comply with any such order in a way that minimizes the cost of doing so.

GC12. Extension of Contract

12.1 Where the Minister determines that additional work of the same nature as the Work described in this Contract is required, the Contractor shall do such work and where required the term of the Contract shall be extended accordingly and confirmed in writing between the parties.

9.4 L'entrepreneur ne peut réclamer de dommages-intérêts, d'indemnité, de perte de profits ou d'autre compensation pour aucune raison se rapportant directement ou indirectement à une mesure prise par le Canada ou à un avis donné par lui en vertu des dispositions de l'article CG9, sauf de la façon et dans la mesure qui y sont expressément indiquées.

9.5 Au moment de la résiliation du marché d'acquisition en vertu de l'article CG9.1, le Canada peut exiger que l'entrepreneur lui remette, de la façon et dans la mesure qu'il précise, tout travail complété qui n'a pas été livré avant l'arrêt des travaux ainsi que les matériaux, les biens ou les travaux en cours que l'entrepreneur a acquis ou produits expressément pour l'exécution du marché d'acquisition.

CG10. Résiliation pour manquement de la part de l'entrepreneur

10.1 Le Canada peut, par avis à l'entrepreneur, résilier le marché d'acquisition, en tout ou en partie :

- a) si l'entrepreneur ne s'acquitte pas de toutes ses obligations en vertu du marché d'acquisition ou, de l'avis du Canada, ne fait pas avancer les travaux, au point de compromettre l'exécution du marché d'acquisition conformément à ses conditions;
- b) dans la mesure permise par la loi, si l'entrepreneur fait faillite ou devient insolvable, fait l'objet d'une ordonnance de séquestre, fait cession de ses biens au profit de ses créanciers, fait l'objet d'une ordonnance ou d'une résolution de liquidation, ou se prévaut de quelque loi concernant les débiteurs faillis ou insolvables; ou
- c) si l'entrepreneur fournit une fausse déclaration en contravention des articles GC 37 ou GC 38 ou s'il contrevient à l'une des conditions prévues aux articles GC 16.3 ou GC 39.

10.2 Au moment de la résiliation du marché d'acquisition en vertu de l'article CG10, l'entrepreneur remet au Canada tout travail exécuté qui n'a pas été livré et accepté avant cette résiliation ainsi que les matériaux et les travaux en cours se rattachant spécifiquement au marché d'acquisition et tous les matériaux, textes et autres documents fournis à l'entrepreneur relativement au marché d'acquisition.

10.3 Sous réserve de la déduction de toute réclamation que le Canada peut avoir envers l'entrepreneur aux termes du marché d'acquisition ou par la suite, le Canada versera à l'entrepreneur un paiement pour la valeur des travaux complétés, livrés et acceptés par le Canada, ladite valeur devant être établie conformément aux dispositions tarifaires du marché d'acquisition ou, s'il n'est pas précisé de tarif, selon une base proportionnelle.

10.4 Si le marché d'acquisition est résilié en vertu du paragraphe 10.1 (c), en plus des autres recours qui peuvent être exercés contre lui, l'entrepreneur doit immédiatement rembourser tout paiement anticipé.

CG11. Suspension des travaux

11.1 Le ministre peut à tout moment, par avis écrit, ordonner à l'entrepreneur de suspendre ou d'arrêter les travaux ou une partie des travaux prévus au marché d'acquisition. L'entrepreneur doit se conformer sans délai à l'ordre de suspension, de manière à minimiser les frais liés à la suspension.

CG12. Prolongation du marché d'acquisition

12.1 Si, de l'avis du ministre, des travaux additionnels de même nature que les travaux décrits dans le marché d'acquisition sont nécessaires, l'entrepreneur effectue les travaux et, au besoin, la durée du marché d'acquisition est prolongée en conséquence, et les parties confirment cette prolongation par écrit.

12.2 Payment for the work described in subsection 1 shall be calculated and paid on the same basis as in section GC12 and where required prorated.

MODALITÉS DE PAIEMENT

CG13. Mode de paiement

13.1 Dans le cas de paiements progressifs :

The Contractor must provide all reasonably required facilities for any audit and inspection and must furnish all the information as the representatives of Canada may from time to time require to perform a complete audit of the Contract.
- 16.4 The amount claimed under the Contract, calculated in accordance with the Basis of Payment provision in the Articles of Agreement, is subject to government audit both before and after payment is made. Pendant ce temps, l'entrepreneur met ces renseignements à la disposition des représentants du Canada pour vérification, inspection et examen, et les représentants du Canada peuvent en faire des copies et en prendre des extraits. Si une vérification a lieu après le paiement, l'entrepreneur convient de rembourser immédiatement tout paiement en trop sur demande du Canada. Le Canada peut retenir ou déduire tout crédit dû en vertu du présent article et impayé, et le porter en compensation de toute somme que le Canada doit à l'entrepreneur à tout moment (y compris en vertu d'autres marchés d'acquisitions). Si le Canada décide de ne pas exercer ce droit à un moment donné, le Canada ne le perd pas.

CG17. Présentation des factures

Il doit faire les meilleurs efforts pour veiller à ce que ses préposés, ses employés, ses mandataires et ses sous-traitants ou ses agents attitrés observent les mêmes normes de confidentialité.

CG23. Indemnisation – Droit d'auteur

26.5 Dans les cas où les taxes applicables, les droits de douane et les taxes d'accise sont compris dans le prix contractuel, ce dernier sera ajusté afin de tenir compte de toute augmentation ou diminution des taxes applicables, droits de douane et taxes d'accise qui se sera produite entre la présentation de la soumission et l'attribution du contrat. Toutefois, il n'y aura pas d'ajustement relatif à toute modification pour augmenter le prix contractuel si un avis public assez détaillé de la modification a été donné avant la date de clôture de la soumission qui aurait pu permettre à l'entrepreneur de calculer les effets de cette modification.

26.6 Retenue d'impôt de 15 p. 100

En vertu de la *Loi de l'impôt sur le revenu*, 1985, ch. 1 (5e suppl.) et du Règlement de l'impôt sur le revenu, le Canada doit retenir 15 p. 100 du montant à payer à l'entrepreneur pour les services rendus au Canada si l'entrepreneur est un non-résident, à moins que l'entrepreneur n'obtienne une dérogation valide. 1. INTRODUCTION

This document outlines the Department's IT Security requirements, in conjunction with any other Canadian Industrial Security Directorate (CISD) requirements, in support of the Contractor/Supplier obtaining an official CISD written approval to use their IT system to process and store Protected B information.

In absence of a formal Threat-Risk Assessment (TRA) and due to the IT portion of the Security clearance being contract specific, the intent of this document is to state the minimum safeguards required in order that the processing and storage of Protected B information be approved by the Department's IT Security Coordinator (ITSC).

Security is based upon layers of protection; that is, in order for the requirements of the IT Security (ITS) to effectively safeguard the information, they must be preceded and supported by other aspects of security and the associated policies. The physical, personnel and information security safeguards in accordance with the Policy on Government Security and ITS related Standards must exist prior to the implementation of ITS safeguards.

2. MANDATORY PREREQUISITES

2.1. PWGSC Validation for Physical Security

The application of the security safeguards listed in this document are based on the *mandatory requirement* that the physical premises of the Contractor/Supplier have been inspected, certified and accredited to process and store Protected B information by the Canadian Industrial Security Directorate (CISD), Public Works and Government Services. Hence, for the duration of this contract, the Contractor/Supplier must hold a valid Designated Organization Screening (DOS) with approved Document Safeguarding at the level of Protected B issued by the CISD.

2.2. Personnel Security

All Contractor/Supplier personnel who have access to the material being processed and stored must hold a valid Government of Canada (GC) Reliability Check and Status or a Security Clearance and have the "*need to know*".

All of the Contractor/Supplier personnel handling Protected B information, in relation to this contract, must attend a mandatory security training/briefing session coordinated and delivered by the Contractor's/Supplier's appointed Company Security Officer or alternates.

2.3. Information Security

All hard copy documents and other media formats must be handled and transported in accordance with GC guidelines. All hard copy documents and other media will be marked with the appropriate security classification. Any covering letter, transmittal form or circulation slip will be marked to indicate the highest level of classification of the attachments.

Transportation of information associated with this contract into or out of the physical premises must adhere to RCMP G1-009 “*Transport and Transmittal of Protected and Classified Information*”. All processing and storage of Protected B information must be performed within the confines of CISD approved physical locations for this contract.

2.4. Security Policy Compliance Monitoring

The Department retains the right to conduct inspections of the Contractor/Supplier facility to ensure compliance with GC standards and policies with respect to the handling, storage and processing of information relevant to this contract.

3. MINIMUM IT SECURITY REQUIREMENTS

In conjunction with any other requirements established by the CISD, the Contractor/Supplier must meet the following IT Security requirements established by the Department.

Furthermore, the Contractor/Supplier must ensure that effective security controls are in place to protect medium level Confidentiality and Integrity and, at minimum, medium level Availability. Communications Security Establishment Canada’s (CSEC’s) recommendations and guidelines must be followed. Their published ITSG-33 documentation will provide further details.

3.1. IT Security Policy Compliance and Monitoring

All information technology related operations must adhere to the overall requirements outlined in the GC’s Operational Security Standard: Management of Information Technology Security (MITS). All IT Security requirements addressed to the Department are applicable to the Contractor/Supplier.

The Department retains the right to conduct inspections of the Contractor/Supplier facility to ensure compliance with GC policies and standards with respect to requirements in the Operational Security Standard: Management of Information Technology Security.

3.2. Prevention

3.2.1 Physical Security within the IT Security Environment

Along with providing official assurance that the CISD has approved its facilities to process and store Protected B information, the Contractor/Supplier must ensure that all equipment used for the fulfilment of this contract reside within the CISD approved physical locations.

The Contractor/Supplier must protect all equipment being used for this contract. The use of wireless technology must be approved by the Communications Security Establishment of Canada (CSEC) for the information's level of sensitivity and follow guidance in CSEC's ITSPSR-21A.

3.2.2 Storage, Disposal and Destruction of IT Media

All material such as CD/DVDs, flash/thumb drives, workstation hard disks, server hard disks, backup tapes and any other devices used to process or store Protected B information relative to this contract must be identified and labelled accordingly.

In the event of failure and replacement of the equipment or upon termination of the contract, all devices or material must be retained and properly stored or disposed of according to CSEC recommendations. The Contractor/Supplier is also responsible for clearing and sanitizing all electronic data storage devices used for this contract according to CSEC's ITSG-06 guideline.

In the event that equipment requires maintenance, support or replacement, no hardware associated with the processing or storage of protected information may be given to an outside vendor unless it has been cleared or sanitized according to CSEC recommendations found in the ITSG-06 guideline.

All media, when not in use, must be stored in a storage container which is RCMP-approved for the storage of Protected B information (G1-001 "*Security Equipment Guide*"). The storage container must be verified by the CISD.

3.2.3 Authorization and Access Control

The Contractor/Supplier must restrict IT and information access relative to this contract only to its individuals who have been screened and authorized, have been identified and authenticated, and have a "need to know".

In following the 'principle of least-privilege', the Contractor/Supplier must provide only the minimum access required for individuals to perform their duties.

The Contractor/Supplier must withdraw all access privileges relative to this contract from individuals no longer involved.

3.2.4 Cryptography, Network Security and Perimeter Defence

The electronic storage of Protected B information associated with this contract must be within a CISD approved IT environment.

Electronic transmission of Protected B information must be encrypted using CSEC approved technology such as Entrust Security Provider and the GC Public Key Infrastructure.

The Contractor/Supplier must segregate its networks into IT security zones and implement perimeter defence and network security safeguards. CSEC provides the ITSG-38 and ITSG-22 guidelines on this specific subject. As well, the

Contractor/Supplier must apply strict control of all access to the protected zone where the information associated with this contract resides. Network perimeter defence safeguards (e.g. firewalls, routers) must be used to mediate all traffic and to protect servers that are accessible from the internet. The Contractor/Supplier must use CSEC approved encryption technology to ensure confidentiality, integrity, authentication and non- repudiation.

The Need-to-Know principle must be applied and transmission must be restricted only to CISD approved recipients.

3.2.5 Mobile Computing and Teleworking

All processing and storage of Protected B information must be performed within the confines of the CISD approved physical locations for this contract.

3.2.6 Software Integrity and Security Configuration

The Contractor/Supplier should configure the security of their operating systems and application software being used to process Protected B information in accordance with security best practices (such as the Microsoft Security Compliance Toolkits for servers and clients). Safeguards must be implemented to "harden" servers and workstations processing Protected B information. For more information on software hardening and configuration best practices, refer to the best practices issued by CSEC, by the National Institute for Standards and Technology (NIST) and by the Center for Internet Security.

3.2.7 Malicious Code

The Contractor/Supplier must install, use and regularly update antivirus software and conduct scans on all electronic files from external systems.

3.3. Detection

It is important to have the ability to detect security related issues within the operating environment. The rigor and extent of detection must be based on a medium level of risk. To protect the information associated with this contract and ensure service delivery, the Contractor/Supplier must continuously monitor system performance to rapidly detect:

- Attempts (failed or successful) to gain unauthorized access to a system, or to bypass security mechanisms.
- Unauthorized probes or scans to identify system vulnerabilities.
- Unplanned disruption of systems or services.
- Denial-of-service attacks
- Unauthorized changes to system hardware, firmware, or software.
- System performance anomalies, and
- Known attack signatures.

At minimum, the Contractor/Supplier must include a security audit log function in all IT systems.

The Contractor/Supplier must report any security-related incidents to the Department within *two hours* of an incident being detected or reported.

3.4.3 Recovery

Before reconnecting or restoring services, the Contractor/Supplier must ensure that all malicious software has been removed and that there is no potential for recurrence or spread.

With regards to the information associated with this contract, the Contractor/Supplier must:

- Back up the data regularly
- Test backups regularly to ensure that they can be used for recovery
- Back up all software and configuration data
- Facilitate the restoration of data and services by allowing systems to undo operations and return to an earlier state.
- Test restoration procedures regularly to ensure that they are effective and that they can be completed within the time allotted for recovery.
- Determine retention periods for essential business information and archived backups, and
- Ensure that off-site backup storage is within a CISD approved location if no CSEC approved encryption is being used.

Note that system recovery should be conducted in a manner that preserves the integrity of evidence, in the event of a criminal investigation of a security breach, for example.

4. CONCLUSION

In absence of a formal TRA, this document has established the Department's basic IT Security requirements for the processing and storage of up to and including Protected B information.

Through the Canadian Industrial Security Directorate's invaluable input and expertise at certifying that the Contractor/Supplier has met all IT Security requirements, the Department will be reassured that risks have, most likely, been mitigated to acceptable levels.
