2. Bidder Questions

Q1. Delivery and installation addresses are different. Are both delivery and installation not expected to occur the same day? Can the chairs not be delivered directly to the final installation location?

A1: Delivery location will be the same as the installation location. See amendment to Annex "B" below.

Q2. For Chair A1 - Would DND also accept an adjustable seat pan depth of 17.5-20.5"?

A2: Yes, for chair A1 we would also accept an adjustable seat pan depth of 17.5-20.5;

Q3. For Chair A1 and A2 - Hard surface casters are about 0.5" taller than standard carpet casters because of the additional soft coating on the wheels which prevents damage to hard surfaces. This has the effect of slightly raising the seat height. Would DND accept an adjustable seat height range corresponding to the extra height of the requested hard surface casters?

A3: Yes, for chairs A1 and A2 we would accept an adjustable seat height range corresponding to the extra height of the requested hard surface casters

Q4. For Chair A2, would DND also accept a seat depth of 18.5" vs the requested 18.1"?

A4: Yes, we would also accept a seat depth of 18.5
